The Town Time Forgot:

The Man Time Forgot Isaiah Wilner, 2006-09-26 Traces the controversial origins of Time magazine revealing how it was created in 1923 by twenty five year old Briton Hadden whose work was claimed by friend and rival Henry R Luce upon Hadden's death six years later

The Little Bookshop on the Seine

Rebecca Raisin, 2020-01-07 A Connecticut woman trades her smalltown bookshop for one in Paris in this charming contemporary romance for fans of The Holiday. When bookshop owner Sarah Smith is offered the opportunity for a job exchange with her Parisian friend Sophie, saying yes is a no brainer after all. What kind of romantic would turn down six months in Paris? Sarah is sure she's in for the experience of a lifetime: days spent surrounded by literature in a gorgeous bookshop and the chance to watch the snow fall on the Eiffel Tower. Plus, now she can meet up with her journalist boyfriend Ridge when his job takes him around the globe. But her expectations cool faster than her caf au lait: soon after she lands in the City of Light, she's a fish out of water in Paris. The customers are rude, her new coworkers suspicious, and her relationship with Ridge has been reduced to a long-distance game of phone tag, leaving Sarah to wonder if he'll ever put her first over his busy career. As Christmas approaches, Sarah is determined to get the shop and her life back in order and make her dreams of a Parisian happily ever after come true.

The Selma Campaign Craig Swanson, 2014 Troopers advance. Those two words shouted by a police commander in Selma, Alabama, some 50 years ago, changed the course of U.S. history. The date was March 7, 1965. The scene was the Edmund Pettus Bridge. And the resulting violence spurred an appalled nation into action. The Selma Campaign chronicles one of the most successful and deadly protest campaigns of the Civil Rights era. In doing so, it renders a fascinating portrait of life in the Deep South during the mid-1960s. Author Craig Swanson focuses special attention on the movement's foot soldiers: those otherwise ordinary people who gave so much of themselves in seeking the ability to vote despite the constant threat of personal harm. Beginning with Martin Luther King's selection of Selma, Alabama, as the site for his voting rights campaign and concluding with legal proceedings against a state trooper whose gunfire precipitated the now-famous march to Montgomery, The Selma Campaign is the definitive word on a remarkable series of events that culminated in what many consider the country's single most important piece of civil rights legislation.

The Bookshop on the Corner

Rebecca Raisin, 2019-11-01 The prequel to The Little Bookshop on the Seine. A wonderful novella about love, life, friendship, romance, books galore, and finding that happy ending. Mia March, author of The Meryl Streep Movie Club. Bookstore owner Sarah Smith has a problem: she's addicted to romance novels. Ever since her best friend got engaged, Sarah has been yearning for a little love to turn up in her life. All she wants is a meet-cute of her own, but surprise encounters are hard to find in the small town of Ashford, Connecticut. That is until New York journalist Ridge Warner steps into her bookstore. Love could be just around the corner for Sarah, but will she be able to truly believe that happy ever after can happen in real life, too? Praise for Rebecca Raisin: A modern Maeve Binchy. Books for Bunny. Rebecca's stories are just like a huge, warm hug, gently enticing you.
