Kink for Newbies The ultimate guide to Kink BDSM Roleplay and erotic edge As an erotic writer I have been getting many questions from people showing interest in various kinds of kink Some consider me a sex expert but I think I learn something new about sex and myself every day I have been having a lot sex for over 10 years with many different men and in many different countries My life has been mainly focused on sports and sex in addition to some other things here and there When I started exploring my sexuality trying to find what I like and learn more about sex I struggled to find useful information for gay men about more than regular sex This book is my attempt to simplify kink and what it means to me It covers the basics and should answer all the questions that a newbie to kink would like to know I want to offer a book that have accurate honest and straightforward information about sexuality As I have found that portrayals of kink aka BDSM in the media from novels and magazines to television and movies are generally inaccurate misleading one dimensional or just plain wrong I use kink as a catch all term that includes BDSM sadomasochism kinky sex dominance and submission role play sex games fantasy and fetish But that definition just leads to more terms that need defining I will both define and expand on these words throughout this book so for now just relax But what is kink really And why do I do it For me Kink is an intimate experience an exchange of power between people that can be physical erotic sexual psychological spiritual or most often some combination It makes me explore the territory between pleasure and pain eroticize the exchange of power experience intense physical sensations and psychological scenarios and test and push my limits Kink can be a unique space where I feel safe enough to try new
