## **The Unknown Moses A Novel:**

**The Unknown Moses** Carla Weston, 2014-10-23 THE UNKNOWN MOSES is a sweeping saga of conspiracy treason and intrigue built on traditional Jewish perspectives and Egyptian history rather than Hollywood hype Covering the life of Moses from his birth to the Exodus the novel seeks to answer many unresolved questions Why were the Hebrews so hated and then enslaved in Egypt Why did Pharaoh's daughter bathe in a river full of crocodiles When was the concept of One God first introduced to Moses How did Moses relate to his two controversial families What role did Joseph's coffin tomb play in the Exodus What really happened at the Red Sea The religious conflicts that overwhelmed Moses began long before his birth and have continued to the present day This in depth narrative reveals how an enlightened belief system can be molded out of a cauldron of hate Based on careful research THE UNKNOWN MOSES uncovers an astonishing story of conflicts between cultures and the founding of the Jewish identity Includes supporting quotes and sources

**The Book of All Books** Roberto Calasso, 2021-11-23 A book that begins before Adam and ends after us In this magisterial work by the Italian intellectual superstar Roberto Calasso figures of the Bible and its whole outline emerge in a new light one that is often astonishing and disquieting as indeed more than any other is the book from which they originate Roberto Calasso's The Book of All Books is a narration that moves through the Bible as if through a forest where every branch every verse may offer some revelation Where a man named Saul becomes the first king of a people because his father sent him off to search for some donkeys that had gone astray Where in answer to an invitation from Jerusalem's king the queen of a remote African realm spends three years leading a long caravan of young men girls dressed in purple and animals and with large quantities of spices to ask the king certain questions And where a man named Abraham hears these words from a divine voice Go away from your land from your country and from the house of your father toward the land that I will show you words that reverberate throughout the Bible a story about a separation and a promise followed by many other separations and promises The Book of All Books the tenth part of a series parallels in many ways the second part The Marriage of Cadmus and Harmony There gods and heroes of the Greek myths revealed new physiognomies whereas here many figures of the Bible and its whole outline emerge in a new light one that is often astonishing and disquieting as indeed is the book more so than any other from which they originate

Surtees Robert Smith Surtees, 1929 **The Bible on the Rock. A Letter to Principal Rainy on His Speech in the Free Church Commission (on Professor W.R. Smith's Case) and on ... W.R. Smith's Articles [on "Bible"] in the 'Encyclopaedia Britannica'** Robert Rainy, 1877 **The Young Judaea**, 1928 *The Oxford History of the Novel in English* Simon Gikandi, 2016-09-05 Why did the novel take such a long time to emerge in the colonial world And what cultural work did it come to perform in societies where subjects were not free and modes of social organization diverged from the European cultural centers where the novel gained its form and audience Answering these questions and more Volume 11 The Novel in Africa and the Caribbean since 1950 explores the institutions of cultural production that exerted influence in late colonialism from missionary schools and metropolitan publishers to universities and small presses How these structures provoke and respond to the literary trends and social peculiarities of Africa and the Caribbean impacts not only the writing and reading of novels in those regions but also has a transformative effect on the novel as a global phenomenon Together the volumes 32 contributing experts tell a story about the close relationship between the novel and the project of decolonization and explore the multiple ways in which novels enable readers to imagine communities beyond their own and thus made this form of literature a compelling catalyst for cultural transformation The authors show that even as the novel grows in Africa and the Caribbean as a mark of the elites mastery of European form it becomes the essential instrument for critiquing colonialism and for articulating the new horizons of cultural nationalism Within this historical context the volume examines works by authors such as Chinua Achebe Nadine Gordimer George Lamming Jamaica Kincaid V S Naipaul Zoe Wicomb J M Coetzee and many others The Works of R.
