## **The Unknown Reality 2 Volume Set:**

**Conversations With Seth: Book Two** Susan M. Watkins, 2006-05-01 In 1963 Jane Roberts met a spiritual entity named Seth. He spoke through her and the lessons he taught proved timeless and crucial. Roberts went on to write much about her channeling experiences with Seth and her books have sold 2.5 million copies. Her Seth material is consistently one of the top two most visited collections at the Yale University Archives. From 1968 to 1975 Roberts held an ESP class in her home during which she channeled Seth. Sue Watkins was a member of that class. The knowledge she gained from the Seth sessions changed Watkins's life. In fact, it changed the lives of all the class participants. In Volume II of the Seth series, Watkins shares the insights she discovered while participating in Roberts's groundbreaking classes. The personal, social, and political issues addressed in *Conversations with Seth* are as relevant today as ever and include health, sexual identity, wealth, and poverty, the military draft, relationships, dreams, ESP, reincarnation, and more. Seth expands on many of the topics raised in book 1 and also explores provocative new material, the correlation between our beliefs, dreams, and daily experience, the concept of probabilities, counterparts, and individual identity, the very real difficulties of applying the "you create your own reality" concept to daily life. Also included is a fascinating discussion of Christ. And as in the first book, Seth addresses the personal, ongoing issues that class members experienced over the years: troubled marriages, illness, financial hardships, and more.

**Conversations With Seth: Book One** Susan M. Watkins, 2005-04-15 In 1963 Jane Roberts met a spiritual entity named Seth. He spoke through her and the lessons he taught proved timeless and crucial. From 1968 to 1975 Roberts held an ESP class during which she channeled Seth. Susan Watkins was a member of that class. The knowledge gained from Seth helped Watkins and her classmates face serious illness, painful relationships, financial hardship, and natural catastrophe. It also changed their lives. In addition to being a well-written, highly entertaining historical account of the late Jane Roberts and her class, *Conversations with Seth* reveals the profound insights discovered by class members: insights into the origin of both the troubling and triumphant events in our lives and into the vast nature of human consciousness. Roberts's Seth material is consistently one of the top two most visited collections at the Yale University Archives. The story that launched the New Age movement.

**Interreligious Reflections, Six Volume Set** Alon Goshen-Gottstein, 2018-08-08 This set includes all six volumes of *Interreligious Reflections*. **ABOUT VOLUME ONE:** Friendship is an outcome of as well as a condition for advancing interfaith relations. However, for friendship to advance there must be legitimization from within and a theory of how interreligious relations can be justified from the resources of different faith traditions. *Friendship Across Religions* explores these very issues, seeking to develop a robust theory of interreligious friendship from the resources of each of the participating traditions. It also features individual cases as models and precedents for such relations, in particular the friendship of Gandhi and Charlie Andrews, his closest personal friend. Contributors: Balwant Singh Dhillon, Timothy J. Gianotti, Alon Goshen-Gottstein, Maria Reis Habito, Ruben L. F. Habito, Ryan McAnnally, Linz Stephen, Butler Murray, Eleanor Nesbitt.

Interfaith Academy address the subject of religious leadership. The subject is of broad relevance in the training of religious leaders and in the practice of religious leadership. As such it is also germane to religious thought where reflections on religious leadership occupy an important place. What does it mean to be a religious leader in today's world? To what degree are the challenges that confront religious leadership today the same perennial challenges that have arrested the attention of the faithful and their leaders for generations and to what degree do we encounter challenges today that are unique to our day and age? One dimension is surely unique and that is the very ability to explore these issues from an interreligious perspective and to consider challenges, opportunities and strategies across religious traditions. Studying the theme across six faith traditions Christianity, Islam, Judaism, Sikhism, Hinduism and Buddhism, *The Future of Religious Leadership: World Religions in Conversation* recognizes the common challenges to present day religious leadership. Contributors: Awet Andemicael, Timothy J. Gianotti, Alon Goshen-Gottstein, Anantanand Rambachan, Maria Reis Habito, Meir Sendor, Balwant Singh Dhillon, Miroslav Volf. **VOLUME SIX** One of the biggest challenges for relations between religions is the view of the religious Other. The question touches the roots of our theological views. *The Religious Other: Hostility, Hospitality and the Hope of Human Flourishing* explores the views of multiple religious traditions on how to regard otherness. How does one move from hostility to hospitality? How can hospitality be understood not simply as social hospitality but as theological hospitality, making room for the religious Other on theological grounds? What is our vision for the flourishing of the Other while respecting his otherness? This volume is an exercise in constructive interreligious theology. By including Abrahamic and non-Abrahamic traditions, it approaches these challenges from multiple perspectives, highlighting commonalities in approach and ways in which one tradition might inspire another. Contributors: Vincent J. Cornell, Alon Goshen-Gottstein, Richard P. Hayes, Lord Rabbi Jonathan Sacks, Deepak Sarma, Stephen W. Sykes, Dharma Master Hsin Tao, Ashok Vohra.
