Braille Book Review, 2016 **Talking Book Topics**, 2016 **Beware That Girl** Teresa Toten, 2016-05-31

For fans of *We Were Liars*, *A Good Girl's Guide to Murder*, *Two Can Keep a Secret* and *If He Had Been With Me* comes a powerful psychological thriller with a gripping pace and Hitchcockian twists. Set against the backdrop of New York City, this compelling novel delves into the dysfunctional yet mesmerizing world of the mega wealthy elite and will keep readers guessing until the very last page. *The Haves The Have Nots* Kate O'Brien appears to be a Have Not. Her whole life has been a series of setbacks she's had to snake her way out of, some more sinister than others. But she's determined to change all that. She's book smart. She's street smart. And she's also a masterful liar. As the scholarship student at the elite Waverly School in NYC, Kate has her work cut out for her. Her plan is to climb the social ranks and land a spot at Yale. She's already found her people among the senior class: it girls specifically in the cosseted mega wealthy yet deeply damaged Olivia Sumner. As for Olivia, she considers Kate the best friend she's always needed. The sister she never had. When the handsome and whip smart Mark Redkin joins the Waverly administration as head of fund raising, he immediately charms his way into the faculty's and students' lives, becoming especially close to Olivia, a fact she's intent on keeping to herself. It becomes increasingly obvious that Redkin poses a threat to Kate, too, in a way she can't reveal and can't afford to ignore. Mark has his own plan for a bright future and never doubts that he can pull it off. How close can Kate and Olivia get to him without having to share their dark pasts? Combines a *Gossip Girl* milieu with the unsettled psychological terrain of *Gone Girl*. PW: It's smart, dark, entertaining and unpredictable. Quill Quire Starred
