

VORTEX FIELD GUIDE

A surreal landscape featuring a vibrant green field in the foreground, a calm blue lake in the middle ground, and a blue sky with white clouds. The scene is framed by dark, silhouetted hills or mountains. The text 'VORTEX FIELD GUIDE' is prominently displayed at the top in a bold, black, sans-serif font.

Vortex Field Guide:

Hawai'i Vortex Field Guide Zach Royer, 2014-01-22 Vortexes are areas of high energy originating from magnetic spiritual or sometimes unknown sources. Additionally, they are thought to be gateways or portals to other realms, both spiritual and dimensional. These powerful eddies of pure earth power manifest as spiral-like concentrations of energy that are either electric, magnetic, or electromagnetic qualities of life force. Hawaii is one of the most powerful and active vortexes on the globe. Each Island has a special energy and flavor. Some believe the Hawaiian Islands are the chakra system of the planet, all of the seven main Islands representing and vibrating at a different chakra energy. Whether this is true or not is for the individual to decide. But one thing for sure is that the energy, geographic location, and features of each Hawaiian Island is very unique, and the spiritual power is very different on each Island. Some of the specific sites on Hawaii Island hold the energy of Creativity, Death, change, and transformation. Pure unconditional love, Healing, Forgiveness, and Peace. Birthing Perfect male/female balance, relationship, Instant manifestation, Empowerment. Each site carries unique energy that exponentially magnifies and quickens whatever intention a person brings to each site. The manifestation vortex is one of the easiest places in the world to instantly manifest anything. Healing sites offer potent concentrations of balancing energy through which miracles can happen. The same is true for other sites as they all accelerate and amplify intentions in their own unique way. In addition to energetic and metaphysical attributes of the Islands are special physical qualities that stand out. This is perhaps a reason for the unique and transformative power. Each Island evolved by a volcano or volcanoes that began with a single hot area. There is a high concentration of obsidian, iron, and other elements which amplify transformation. Many vortexes have been shown to be associated with the World Grid and have been found to be extremely strong at nodal points where the grid lines cross. Worldwide, the Great Pyramid in Egypt and Stonehenge in England are perhaps the most well-known sites of vortex activity. This book is your guide to a dozen vortexes that are located on Hawaii Island, including strength, type, accessibility, directions, and more, giving you the chance to connect with these sites at your own pace. Because Hawaii as a whole is known to be a spiritual power spot, a vortex site here is a place where one can feel Hawaii's spiritual healing energy or mana most strongly.

Maui Vortex Field Guide Zach Royer, 2019-10-30 The Maui Vortex Field Guide book, two of the Island Vortex series by Zach Royer, is your introduction and travel companion to the many earth energy vortexes that are found around the Valley Isle. Each chapter includes accessibility, directions, vortex strength, type, and more, giving you the chance to connect with these sites at your own pace. Each site that has been identified as a vortex in this book has a unique flow of energy that you are able to tune in to using some simple meditations, including instructions for what is known as HA breathing, a relatively unknown ancient breathing technique. HA in Hawaiian means breath, and using the breath, you are able to tune in to the vortex more efficiently. Many subtle energy researchers believe the Hawaiian Islands act as the heart chakra of the planet, a place of unconditional love, healing.

Maui Vortex Field Guide Laura Meisel, Zach Royer, 2019-03-13 Book

two of the Island Vortex Series the Maui Vortex Field Guide is your companion and introduction to the many energy vortexes that are on the Valley Isle Each chapter includes vortex strength type accessibility directions and more giving you the chance to connect with these sites at your own pace The Hawaiian Islands as a whole are known to be a major energetic power spot and so a vortex site here is a place where one can feel the spiritual healing energy or mana most strongly This book focuses on the healing aspect of the vortex and aims to reconnect the reader with the land in a totally new age yet surprisingly ancient way Vortexes tend to exist where there are strong concentrations of gravitational and magnetic anomalies in turn creating an environment that can promote physical and emotional healing defy gravity bend light startle animals twist plant life into spiral shapes and some mystery spots can cause people to appear as though they've shrunk in size Hawai'i is home to some of the most powerful concentrations of earth energies on the planet and each island has a unique vibe and attractive force that calls to people Many subtle energy researchers believe the Hawaiian Islands act as the heart chakra of the planet a place of unconditional love healing

The Weiser Fields Guide to Ascension Cal Garrison, 2010-08-01 The Weiser Field Guide to Ascension tackles the vast topic so often misconstrued of the idea of ascending into a universal consciousness and creates a literal handbook to the historical biblical and highly topical implications of the concept of Ascension raising consciousness the earth shift and changes of 2012 and The Great Shift

The Heart of the Vortex Richard J. Anderson, 2005-01-01 A practical and profound guide to exploring Sedona's energy vortexes Written in a relaxed and friendly style this book contains easy to follow information on locating the vortexes selecting and charging crystals unique meditations preparing yourself for the vortex energy manifesting in the vortex field and locating an energy vortex in your own home town

Wave Forces on Offshore Structures Turgut 'Sarp' Sarpkaya, 2010-02-26 A thorough understanding of the interaction of waves and currents with offshore structures has now become a vital factor in the safe and economical design of various offshore technologies There has been a significant increase in the research efforts to meet this need Although considerable progress has been made in the offshore industry and in the understanding of the interaction of waves currents and wind with ocean structures most of the available books concentrate only on practical applications without a grounding in the physics This text integrates an understanding of the physics of ocean structure interactions with numerous applications This more complete understanding will allow the engineer and designer to solve problems heretofore not encountered and to design new and innovative structures The intent of this book is to serve the needs of future generations of engineers designing more sophisticated structures at ever increasing depths
