What Really Matters To Me Guided Journals:

What Really Matters to Me Robyn Conley, 2019-02-17 What Really Matters to Me takes you through the steps that will enable you to prioritize and streamline your life unlike other journals that offer little more than blank pages and inspirational quotes. By writing down your insights, you're taking the first crucial step to seeing where you honestly want to direct your energies. Dozens of stories and prompts will inspire you, enabling you to cast off the stresses and anxieties that weigh you down. You'll come away with the knowledge and awareness needed to maintain your inner peace in spite of the chaos whirling about you. The cost is minimal and the rewards are endless.

What Really Matters to Me Robyn Conley-Weaver, 2000 Journaling is one of the most effective pathways to enhanced creativity, personal discovery, and healing. Each of these guided journals is an invitation to explore dreams, memories, ideas, goals, and emotions in surprisingly new and constructive ways. Writing prompts, inspirational quotes, and thought-provoking questions are interspersed among attractive journal pages that offer plenty of space for writing. Chapter openers provide additional insight on how to make the most of the journaling experience.

Captivating Guided Journal, Revised Edition John Eldredge, Stasi Eldredge, 2021-03-02 This journal is for those who are hungry for more. The Captivating Guided Journal is designed to complement your reading of Captivating. There is one chapter in the journal for every one of the twelve chapters in the book. Using this journal means you're hungry for more. More of Jesus, more healing, more restoration, and more transformation into the woman you were created to be. You even get more in the journal itself. The Windows to the Heart and Lifting the Veil sections feature special features and excerpts from other books and movies that you won't find in the companion book. By the way, this is not your normal workbook. There are no wrong answers. No fill-in-the-blanks. You don't have to struggle or worry about getting it right. Who wants another workbook anyway? We have enough work to do already. Besides, calling this a workbook would imply that the messages in the book Captivating are to be mastered. And mastered in a measurable way? Not at all. The messages in the book are to be pondered, considered, Some embraced, Some practiced, Some set aside for a later time. In this journal, you will experience Excerpts from the companion book Captivating, Guided prayers, Windows to Your Heart, insights from movies, books, and music. Lifting the Veil, an activity or exercise to try. Journaling prompts correlating to each section of the chapter in the book. This journal is for your heart. Engaging with it says that you are willing to take a journey of discovery with him. You have said yes to God. You are continuing to say yes. May he meet you in the deep places of your heart and bring you hope, courage, healing, and the delights of intimacy that only God can bring. Designed for use with Captivating: Unveiling the Mystery of a Woman's Soul (9781400225286) sold separately.
