When Angels Are Born:

When Angels Cry Robert Wright, 2006 This book culminates years of study and research by its writer Robert Wright While still a child Robert intrigued by discussions held by his parents and family friends as they celebrated the Sabbath hours on Friday evenings and Saturdays developed a love for Bible prophecy and history Educated in both public and private Christian schools Robert has a Masters degree in Educational Psychology Of his many interests Bible prophecy is his passion In this book the writer examines Seventh day Adventists beliefs concerning Babylon the Great He addresses the issues head on challenging traditional views providing alternative perspectives yet leaving in tact the essential truths espoused by the church regarding the Papacy The symbols of Revelation 12 17 and 18 are re examined as the writer presents evidence that suggests Babylon the Great does not symbolize the Papacy as traditionally taught This book offers a bible based defense of what Babylon symbolizes Most importantly this book encourages the reader to rely on the Bible as its own expositor the only source upon which to establish faith as it introduces compelling insights regarding the message of the angel of Revelation 18 The message of this angel the fourth angel s message accompanied by the outpouring of the Latter Rain represents God s final warning to the inhabitants of a planet destined for destruction Yet at the same time the message offers hope a means of escape for all people that heed the Divine invitation to come out of Babylon To follow up with questions about the contents of this book or its writer e mail questions or comments to mail powervisionministries org

Wheels Turning Inward Ron Starbuck, 2010 *Wheels Turning Inward* is a rich collection of over fifty poems following a poet s mythic and spiritual journey that begins and ends in Christ but crosses easily onto the paths of many other contemplative traditions Ultimately this is a journey of discovering a keen sense of spiritual community through a meditative dialog with the Divine Each poem is a reflection and a remembrance of this dialog arising out of a conversation that is deep

and true a conversation grounded in a sacramental practice of stillness silence peace and unity celebrating the holiness of all creation Through the poet s voice and eyes we catch sight of the clear longing of God for all humankind and the true value of relationships through which we come to know and become known by this mystery Every poem will gently guide the reader on a journey that leads to an awareness of the sacred calling out to life Celebrating life in the first breath of an infant in the bright smile of a little girl and in the light of creation reflected within the innocent eyes of a small boy It may also appear in the complex song of a mockingbird mending together the deepest sorrows of the world or in the angels we give birth to every day These poems touch and awaken the compassion inherent in every human heart and remind us that God s presence however we may imagine God may be found within our own breath In each single breath we take Breathe Deeply Turn Inward
