When All Else Fails When All Else Fails:

When All Else Fails Wayne L. Menking, 2013-09-05 The condition of stuck is a condition well known by pastoral caregivers and leaders In *When All Else Fails* Wayne Menking argues that the way out of stuckness is not through the acquisition of faddish techniques but through a deep rethinking of our pastoral vocation and what our pastoral work is to be about Pastoral care and leadership are not indistinguishable just as priestly work can never be separated from prophetic work They are always one and the same Pastoral care and leadership then are not about helping people relieve their anxiety through the offering of palliative comfort but rather helping people to engage the powers that have hold of their life so as to leave what is old for what is new In this engagement the caregiver will always encounter powers against which niceness and unconditional love will not work Using biblical images and narratives that depict God as a deeply empathic and compassionate God yet one who is never adaptively sympathetic Menking asserts that pastoral caregivers and leaders must shed their niceness and adaptivity so as to employ their God given power if they are to help people effectively leave what is old for what is new

When All Else Fails Rayyan Al-Shawaf, 2022-12-06 A darkly humorous saga set in post 9 11 America and the Middle East *When All Else Fails* begins on September 12th 2001 It is the story of Hunayn a luckless and lovelorn Iraqi college student living in Orlando Florida after having graduated from high school in Beirut Hunayn s life is upended by 9 11 but not immediately and not in the way that he fearful in the aftermath of the attacks initially expects As America settles into its post 9 11 open ended Septemberland phase vigilant but also overly suspicious and even paranoid many Arab and Muslim Americans are made to feel it s no longer their home With Hunayn who muddles through a series of surreal episodes in Orlando and nearby Indiantown the situation proves almost the opposite Septemberland so many of whose citizens think they have Hunayn figured out just because of his name or origins comes to remind him of his most recent unhappy home Lebanon which he assumed he d left behind Now having had his fill of disconcerting experiences Hunayn returns to Beirut At least he knows how to navigate life back there or so he thinks It turns out that Lebanon is about to undergo political upheaval of its own a former prime minister opposed to neighboring Syria s control of the country is assassinated subsequent popular protests compel the Syrian regime to withdraw its army a spate of mysterious bombings terrorizes everyone and Israel another neighbor launches a war on Lebanon in retaliation for an attack by a Lebanese militant group Hunayn finds himself aswirl in the maelstrom And all the while he watches from afar as Iraq his fabled homeland and the owner of his heart unravels in the wake of the US led invasion

When All Else Fails Raven Wright, 2020-07-20 Being in the midst of a chronic illness can be extremely difficult Raven Wright came to realize through a partial recovery and a relapse that the issue was not in fact physical Or it was not only physical She came to recognize that patterns of past trauma and abuse were also in need of healing It became clear that the magnitude of the physical pain and duress that she was in was in fact equal to the amount of emotional pain that she had been carrying around for a lifetime She finally understood that the key to physical

healing for her was to heal the entire person The journey of physical emotional and spiritual is what may be missing if a physical recovery isn't happening At the time she was hitting a wall and declining in her healing She realized that she could not simply throw medicine at a broken heart She had to dig deeper There was not one aspect of life past or present that had not been addressed and overturned It was crucial to her recovery And because she turned this into an opportunity for healing her life became more fulfilling and happy than she could have ever imagined *When All Else Fails, Sell!* David
