The Bible, Simplified Study Guide plus Streaming Video Zach Windahl, 2025-07-01 A simple guide to understanding the Bible Let's be honest The Bible is complex It's intricate It can be daunting The first half is confusing aside from the stories you might have learned in Sunday school which are far more disturbing today than when you read them as a kid Then Jesus appears and while it's amazing to read about his birth and teachings and wisdom and miracles it can cause you to wonder why he had to die for you The final pages of the Bible are even more perplexing Suddenly you're reading about visions and beasts and the very end of the world Perhaps this is why many of us find it easier to go to church and just listen to the pastor preach a sermon on the good book rather than tackle it ourselves But if we do this we miss out on so much God has given us the Bible as a how to guide for making the most out of life The Bible should be our lifeline We need to study it as much as we need to breathe This is where The Bible Simplified can help Over the course of eight weeks bestselling author Zach Windahl will show you how all the stories in the Bible tell an interwoven story of God using people to bring his kingdom to the world You will dig into historical context learn about the different genres in the Bible and why they are important and discover proven methods of studying the Bible that will help you not only better understand what it means but also how it can transform your life and deepen your relationship with Christ God is calling you today to follow him And he wants to speak to you through the Bible This study guide includes A guide to best practices for leading a group Individual access to eight streaming video sessions Personal study for deeper reflection between sessions Video notes and comprehensive structure for group discussion time Streaming video access code included Access code subject to expiration after 12 31 2030 Code may be redeemed only by the recipient of this package Code may not be transferred or sold separately from this package Internet connection required Void where prohibited taxed or restricted by law Additional offer details inside

When Forgiveness Doesn't Make Sense Robert Jeffress, 2013-07-03 Forgiveness Is Always Difficult and Often Illogical But It's the Only Remedy God Offers to Heal Our Hearts With the experience of more than two decades in the ministry Dr Robert Jeffress has come to the conclusion that forgiveness is the bottom line issue of life Failure to receive God's forgiveness results in eternal hell failure to grant forgiveness to those who have hurt us results in a living hell While most people especially Christians esteem the concept of forgiveness in theory few have mastered what one person has called the art of forgiveness As C S Lewis once said Forgiveness is a beautiful word until you have something to forgive When Forgiveness Doesn't Make Sense is an intensely biblical yet extremely practical approach to this crucial issue Dr Jeffress deals with the major misunderstandings about forgiveness believing you cannot forgive those who never ask for it confusing forgiveness with forgetting or with reconciliation and believing that forgiveness automatically erases the consequences of harmful actions Dr Jeffress explains the process of our forgiveness by God as well as the power of our forgiveness of others Readers will also learn questions to ask themselves before they seek forgiveness from another essentials of an effective apology reasons others may refuse to forgive them action steps for dealing with painful memories a check list to determine whether they have genuinely forgiven another and much more Forgiveness is difficult and often illogical But When Forgiveness Doesn't Make Sense will equip and encourage readers to become more forgiving and to experience God's forgiveness more deeply At some time in our lives we will be hurt deeply by another person It may be a family member who mistreats us a business associate who cheats us a child who rebels against us a friend who betrays us a mate who deserts us or a God who disappoints us While we can't control the hurts that come into our lives we can choose what to do with those hurts We can let them make us bitter or we can release them through forgiveness While forgiveness doesn't always seem to make sense as Dr Robert Jeffress explains in his important new book it is the only way God has given us to effectively resolve the pain of our past More importantly it's the obligation of every Christian
