**Where Witchcraft Lives 3rd Edition** Doreen Valiente, 2011-10-10 This classic little book should be treated as an historical document Doreen Valiente High Priestess and partner of Gerald Gardner presents many folklore and witchcraft practices hitherto consigned to a hidden world Describing herself as a student of witchcraft she never stopped investigating her own craft and is now rightly known as the mother of modern witchcraft The Centre For Pagan Studies releases this paper back edition with the help of Prof Ronald Hutton Brighton Museum and Sussex Archaeological Society **Where**

**Witchcraft Lives** Doreen Valiente, 1962 It is a mistake to regard Witchcraft as a relic of the past which has no existence in the modern world Witches still live and practise their age old craft in all parts of Europe and England is no exception In this book the author has concentrated her attention on one particular area partly because she wished to write of things she knew personally and also because the county of Sussex could be taken as a sample of the way in which the strange tapestry of witchcraft has been woven through the centuries The book not only includes information about modern witchcraft survivals but also on the practice of black magic today front flap **Doreen Valiente Witch** Philip Heselton, 2016-06-08 Heralded as

one of the greatest figures in the history of modern witchcraft Doreen Valiente made an unparalleled contribution to contemporary spiritual practice This book tells her fascinating story from her earliest encounters with the Craft to her work with Gerald Gardner and her emergence as one of the foremost thinkers in the revival of Paganism and witchcraft Revealing previously unknown details drawn from first hand testimony and her personal papers Doreen Valiente Witch reveals how Valiente's singular vision captivated millions of modern witches and Pagans around the world Published in association with the Centre for Pagan Studies and the Doreen Valiente Foundation Praise Doreen Valiente is the mother of the modern witchcraft movement Christopher Penczak bestselling author of The Inner Temple of Witchcraft Doreen Valiente is a shining star a heroine and role model for the witchcraft community Judika Illes author of Encyclopedia of Witchcraft Doreen Valiente has been called the mother of modern witchcraft and that is no exaggeration She helped open the path that many of us walk some variation of today and led the way with a grace and strength we could all hope to emulate Deborah Blake author of Everyday Witchcraft I am thrilled to see at last a well researched biography of Doreen Valiente This is a must read for the historical and personal perspective on the modern adaptations of the Old Religion Ann Moura author of the Green Witch series Doreen Valiente was a seminal influence on the modern magical world Her lasting contributions to our community are both valuable and vast Tess Whitehurst author of Holistic Magic An amazing story of a strong and powerful minded woman who truly took her own spirituality by the reins The best way to describe this book is that it is not just a biography but it is a public service and a true gift to the Craft community The Wild Hunt It is a wonderful read Philip Heselton writes beautifully and has researched with his usual care Above all he paints Doreen to the life with accuracy and affection Ronald Hutton Professor of History University of Bristol *Essays on Women in Western Esotericism* Amy Hale, 2022-01-21 This book is the

first collection to feature histories of women in Western Esotericism while also highlighting women's scholarship. In addition to providing a critical examination of important and under-researched figures in the history of Western Esotericism, these fifteen essays also contribute to current debates in the study of esotericism about the very nature of the field itself. The chapters are divided into four thematic sections that address current topics in the study of esotericism: race and othering, femininity, power and leadership, and embodiment. This collection not only adds important voices to the story of Western Esotericism, it hopes to change the way the story is told.
