The Audience and Business of YouTube and Online Videos Louisa Ha, 2018-06-06

The Audience and Business of YouTube and Online Videos is a thorough analysis of YouTube audiences and creators of online videos that considers how the coexistence of user-generated and professional media content on YouTube makes the site a unique platform in the ever-expanding online video industry. Using a mixed-method approach, the authors examine the underexplored business side of YouTube with a focus on product review videos, brand videos, sponsored videos, and online video advertising. This book also addresses recent developments such as YouTube Red, subscription pay-TV, and movie services, and discusses the future of online video audience research. Recommended for scholars interested in media studies, communication, marketing, and popular culture.
