Mlb Playoffs In The Us Login:

American Liturgy James Calvin Davis,2021-02-08 How can celebrating the holy days of American culture help us to understand what it means to be both Christian and American In timely essays on Super Bowl Sunday Mother s Day Independence Day Thanksgiving and other holidays of the secular calendar James Calvin Davis explores the wisdom that Christian tradition brings to our sense of American identity as well as the ways in which American culture might prompt us to discern the imperatives of faith in new ways Rather than demonizing culture or naively baptizing it Davis models a bidirectional mode of reflection where faith convictions and cultural values converse with and critique one another Focusing on topics like politics race parenting music and sports these essays remind us that culture is as much human accomplishment and gift as it is a challenge to Christian values and there is insight to be discovered in a theologically astute investment in America s holy days

Practical Web Traffic Analysis Peter Fletcher,Alex Poon,Ben Pearce,Peter Comber,2013-11-11 Once you ve got a web site up and running it is all too easy to sit back and relax But how do you know you did a good job How can you improve the site you have based on real user behaviour Without getting feedback from your users how will you find out how it s being used Web traffic analysis allows you to gain some insight into your site users where they come from what pages they like and how often they come back However as statistics are prone to being misinterpreted your insight often has to be taken with a pinch of salt This book takes you through the process of analyzing your traffic without taking for granted the statistics that you generate Assuming you have a web site reading this book will help you learn The techniques for gathering data on your users Standards and Guidelines you should adhere to when interpreting your data What other sites are doing to ensure they respect the privacy of their users Insight into how real sites use web traffic analysis Major case case studies from BBC News Online eBay and ASPToday Additional material from The Onion SmartGirl and The New York Times From the Publisher This book is for any web professional who wants to understand their site traffic It s also for anyone with an interest in finding out where their site is most used and how to make comparisons with other sites To get the most from this book you ll need access to log files for your web site as they contain the information we ll show you how to analyze The book discusses the privacy practices of The Onion SmartGirl and The New York Times as well as examining in detail the traffic analysis techniques used by BBC News Online eBay and ASPToday
