Goodreads Choice This Month:

Literature and Social Media Bronwen Thomas, 2020-01-31 From Instapoetry to BookTube contemporary literary cultures and practices are increasingly intertwined with social media. In this lively and wide ranging study Bronwen Thomas explores how social media provides new ways of connecting with and rediscovering established literary works and authors while also facilitating the emergence of unique and distinctive forms of creative expression. The book takes a 360 approach to the subject combining analysis of current forms and practices with an examination of how social media fosters ongoing collaborative discourse amongst both informal and formal literary networks and demonstrating how the participatory practices of social media have the potential to radically transform how literature is produced, shared and circulated. The first study of its kind to focus specifically on social media, *Literature and Social Media* provides a timely and engaging account of the state of the art while interrogating the rhetoric that so often accompanies discussion of the new in this context.

Forget Me Not Stacy Willingham, 2025-08-26 A pulse pounding new Southern thriller from the author of the runaway bestseller *A Flicker in the Dark*. Twenty two years ago Claire Campbell's older sister Natalie disappeared shortly after her eighteenth birthday. Days later her blood was found in a car, a man was arrested and the case was swiftly closed. In the decades since Claire has attempted to forget her traumatic past by moving to the city and climbing the ranks as an investigative journalist until an unexpected call from her father forces her to come back home and face it all anew. With the entire summer now looming ahead, a summer spent with nothing to do in her childhood home with her estranged mother, Claire decides on a whim to accept a seasonal job at Galloway Farm, a muscadine vineyard in coastal South Carolina less than an hour away from where she grew up. At first glance Galloway is an idyllic escape for Claire. A scenic retreat full of slow-paced nostalgia as well as a place where her sister seemed truly happy in that last summer before she vanished, it feels like the perfect plan to pass the time. However, as soon as Claire starts to settle in, she stumbles across an old diary written by one of the vineyard's owners and what at first seems like a story of young rebellion and love turns into something much more sinister as it begins to describe details of various unsolved crimes. As the days stretch on, Claire finds herself becoming more and more secluded as she starts to obsess over the diary's contents as well as the lingering feeling that her own sister's disappearance may be somehow tied to it all. Galloway was supposed to be a place to help her move forward but instead, Claire quickly finds herself immersed in her own dark and dangerous past.

All the Dangerous Things Stacy Willingham, 2023-01-10 Following up her instant New York Times bestseller *A Flicker in the Dark*, Stacy Willingham delivers a totally gripping thriller about a desperate mother with a troubled past. In *All the Dangerous Things*, One year ago Isabelle Drake's life changed forever: her toddler son, Mason, was taken out of his crib in the middle of the night while she and her husband were asleep in the next room. With little evidence and few leads for the police to chase, the case quickly went cold. However, Isabelle cannot rest until Mason is returned to her, literally. Except for the occasional catnap or small blackout.

where she loses track of time she hasn't slept in a year Isabelle's entire existence now revolves around finding him but she knows she can't go on this way forever In hopes of jarring loose a new witness or buried clue she agrees to be interviewed by a true crime podcaster but his interest in Isabelle's past makes her nervous His incessant questioning paired with her severe insomnia has brought up uncomfortable memories from her own childhood making Isabelle start to doubt her recollection of the night of Mason's disappearance as well as second guess who she can trust including herself But she is determined to figure out the truth no matter where it leads

Focus On: 100 Most Popular American Internet Celebrities Wikipedia contributors,

A Flicker in the Dark Stacy Willingham, 2022-01-11 A New York Times Bestseller A smart edge of your seat story with plot twists you'll never see coming Stacy Willingham's debut will keep you turning pages long past your bedtime Karin Slaughter When Chloe Davis was twelve six teenage girls went missing in her small Louisiana town By the end of the summer her own father had confessed to the crimes and was put away for life leaving Chloe and the rest of her family to grapple with the truth and try to move forward while dealing with the aftermath Now twenty years later Chloe is a psychologist in Baton Rouge and getting ready for her wedding While she finally has a fragile grasp on the happiness she's worked so hard to achieve she sometimes feels as out of control of her own life as the troubled teens who are her patients So when a local teenage girl goes missing and then another that terrifying summer comes crashing back Is she paranoid seeing parallels from her past that aren't actually there or for the second time in her life is Chloe about to unmask a killer From debut author Stacy Willingham comes a masterfully done lyrical thriller certain to be the launch of an amazing career A Flicker in the Dark is eerily compelling to the very last page

Only If You're Lucky Stacy Willingham, 2024-01-16 A sharp and twisty exploration of female friendship from the New York Times bestselling author of A Flicker in the Dark and All the Dangerous Things Lucy Sharpe is larger than life Magnetic addictive Bold and dangerous Especially for Margot who meets Lucy at the end of their freshman year at a liberal arts college in South Carolina Margot is the shy one the careful one always the sidekick and never the center of attention But when Lucy singles her out at the end of the year a year Margot spent studying and playing it safe and asks her to room together something in Margot can't say no something daring or starved or maybe even envious And so Margot finds herself living in an off campus house with three other girls Lucy the ringleader Sloane the sarcastic one and Nicole the nice one the three of them opposites but also deeply intertwined It's a year that finds Margot finally coming out of the shell she's been in since the end of high school when her best friend Eliza died three weeks after graduation Margot and Lucy have become the closest of friends but by the middle of their sophomore year one of the fraternity boys from the house next door has been brutally murdered and Lucy Sharpe is missing without a trace From the author of A Flicker in the Dark and All the Dangerous Things comes a tantalizing thriller about the nature of friendship and belonging about loyalty envy and betrayal another gripping novel from an author quickly becoming the gold standard in psychological suspense

Influence and Behavior Analysis in Social Networks and Social Media Mehmet Kaya, Reda

Alhajj,2018-12-11 This timely book focuses on influence and behavior analysis in the broader context of social network applications and social media Twitter accounts of telecommunications companies are analyzed Rumor sources in finite graphs with boundary effects by message passing algorithms are identified The coherent state of the art collection of chapters was initially selected based on solid reviews from the IEEE ACM International Conference on Advances in Social Networks Analysis and Mining ASONAM 17 Chapters were then improved and extended substantially and the final versions were rigorously reviewed and revised to meet the series standards Original chapters coming from outside of the meeting round out the coverage The result will appeal to researchers and students working in social network and social media analysis
