than a scary bedtime story And yet the descendants of his loyal followers have sworn to find a way to bestow his dark magic upon another If they succeed they ll unleash a new terror upon an unsuspecting world It has been five years since I found out I m a witch and at last I have taken the final plunge into the magical world I moved Now I m living with in New York with my closest paranormal friends and interning at MES the Magical Enforcement and Secrecy agency Other than having to lie to my non magic family things are going great Except that magics keep going missing Tasked with figuring out if these seemingly random disappearances are connected my friends and I find ourselves on the edge of a huge breakthrough there might be a cult of witches and wizards practicing an ancient forbidden magic Worse it seems like one of them is inside MES There s nobody to trust but each other and the deeper we go the clearer it becomes that someone is trying to stop our investigation even if it means using dark magic and deadly force Magic Betrayed is Book Four in the Urban Fantasy series More than Magic featuring witches vampires werewolves and more Please note this book starts the six book Rise of the Arcanist arc which takes place five years after the original trilogy As the characters have grown up so has the content this book and the following five are darker with more foul language and certain doors that are ajar instead of closed As these were originally written as a serial they are shorter and will feel more connected than the previous three But you can still expect your favorite characters the snark and the heart If you like your magic mixed with a little mystery and sweet romance dive into your copy today Also available on Audiobook **Magic Unveiled** Elizabeth Kirke, 2021-04-21 It has been six long months since Thomas and Dani were taken Six months with no word and no news all we know is they re alive But for how long At last we have a lead One that takes us to a very unexpected pair of magics They claim we can trust them and we really don t have a choice they re the only ones who can help us They say there is a way to save our friends and stop the evil witch Alaria and her cult of blood casters Too bad it seems like I m the only one who can pull it off If I fail Alaria will kill me and the people I love that is if the woman calling herself my ally doesn t kill me first Magic Unveiled is Book Eight in the Urban Fantasy series More than Magic featuring witches dark magic vampires and more If you like your books full of plot twists and your magic mixed with a dose of mystery and thrills get Magic Unveiled now **Magic Vanished** Elizabeth Kirke, 2021-04-15 Clear waters pristine beaches and the bones of human sacrifices Of all the places to be transported by magic against my will a tropical island doesn t seem too bad Unfortunately it s teeming with blood casters who want me dead On the bright side I m not alone my friends are here too and we ve faced tougher odds together before But the dangerous magic on this island isn t like some of our other foes and there are places some of us can t even go without triggering deadly blood magic spells To make matters worse the leader of the blood casters is here and she is a witch to be reckoned with If the rumors are true she has rediscovered arcanism an ancient magic even more deadly than blood magic If she really is an arcanist she s the most powerful magical being in the world and she has made it clear she s willing to kill anyone who gets in her way And of course we are very much in her way Part fantasy part mystery all awesomeness five star review from award winning book blog 2
