**Soul Surgery** Mariel Torres, 2014-11-01      **Soul Surgery** Mariel Torres, 2014-09-12 The Great Physician invites you to have a heart transplant Not only is He the soul surgeon He is the organ donor With God's heart you can overcome the past enjoy the present and go confidently into a future without bitterness unforgiveness jealousy and strongholds      The Second Chance for God's People Timothy W. Seid, 2008-09-26 For centuries the New Testament book of Hebrews has been interpreted as though it had been written for Jewish Christians in danger of lapsing back into legalism and religious ceremony This view is now being challenged by current scholarship Rather than attacking the Old Testament and Judaism the author of Hebrews praises the person and work of Jesus through a series of comparisons on which he bases exhortations and warnings to the present people of God Hebrews urges God's people to learn from past mistakes and failures and to take up the challenge in difficult times to live faithfully in the new relationship to God through Jesus God's Son In The Second Chance for God's People Messages from Hebrews Quaker pastor and professor Timothy W Seid encourages today's church to respond to the challenge of Hebrews first individually by progressing in spiritual and moral maturity and second collectively by being God's faithful people in the world In the light of ancient Greek language and rhetoric after having extensively researched Hebrews Seid interprets the text of Hebrews section by section in an accessible and nontechnical way while also illustrating and applying the meaning of the text for the contemporary church      **Insights on James, 1 & 2 Peter** Charles R. Swindoll, 2014-11-14 This newly revised and expanded edition of Insights on James 1 2 Peter part of the 15 volume Swindoll's Living Insights New Testament Commentary series draws on Gold Medallion Award winner Chuck Swindoll's 50 years of experience with studying and preaching God's Word The series combines Chuck's deep insight signature easygoing style and humor to bring a warmth and practical accessibility not often found in commentaries Each volume combines verse by verse commentary charts maps photos key terms and background articles with practical application The newly updated volumes now include parallel presentations of the NLT and NASB before each section This series is a must have for pastors teachers and anyone else who is seeking a deeply practical resource for exploring God's Word      *Twelve Steps for You* Dick B., 2005 The much awaited work of A A Historian Dick B on the origins of each of the Twelve Steps First and foremost a history of each step How each of A A's co founders contributed to each of the Steps It looks at the original Akron A A program which had no Steps and took its basic ideas from the Bible and its principles and practices primarily from the United Christian Endeavor Movement of Dr Bob's youth Then source by source it looks at each Step as it was impacted upon by a particular contributor The Bible Oxford Group Rev Sam Shoemaker Dr Bob's wife Anne Smith the so called Six Steps then the other sources This book is an historical study of the roots of each Step and it can be used for individual and group study of the Steps in a very meaningful way It is also a guide A guide to understanding and a guide to taking each Step It also shows you how to take the Steps exactly as directed in A A's Big Book It suggests how you might look at each Step in terms of the

contributions to that Step's language and meaning by each of its sources. Finally, it provides Christians and other students with a means of considering learning and taking each of the Steps in light of that Step's biblical and historical roots with the Big Book Bible and history at hand. When you are through, you will have a perspective of the real spiritual utility of the Twelve Steps in a believer's world despite the secularization and universalism that are diluting all Twelve Step programs and the language used in connection with the Steps. For example, God as we understood Him historically and biblically means Almighty God the Creator as He is understood by the newcomer at the time of taking Steps 3 and 11. So too, powerless in Step 1 is presented in its historical context. I was licked rather than in some puzzling linguistic context seldom understood or unraveled. You'll know and guide the taking of the Twelve Steps as they were intended to be understood and as you never did before.
