**Soul-Making** Christina Becker,2025-06-25 The phrase soul making comes from the poet John Keats who struggled with the world s random and meaningless suffering and believed that tragedies were the crucible in which the soul is forged and refined In Soul Making A Journey of Resilience and Spiritual Rediscovery Christina Becker shares how her own tragedy from a series of events between 2009 2011 broke her leading to her dependency on alcohol It could have been seen as meaningless but was transformed into soul Part memoir and part self help book this is the deeply personal story of one woman s soul making journey framed around the ideas of Carl Gustav Jung and spiritual practices Readers are invited to think about their own lives in a new way to be curious about the deeper threads that run through their existence and to embark on their own soul making journey This Jungian Analyst demonstrates how redemption is found through self

**New Meanings for Ancient Texts** Steven L. McKenzie,John Kaltner,2013-01-01 As newer approaches to biblical criticism become more established and influential it is essential that students and other serious readers of the Bible be exposed to them and become familiar with them That is the main impetus behind the present volume which is offered as a textbook for those who wish to go further than the approaches covered in To Each Its Own Meaning by exploring more recent or experimental ways of reading from the introduction This book is a supplement and sequel to To Each Its Own Meaning edited by Steven L McKenzie and Stephen R Haynes which introduced the reader to the most important methods of biblical criticism and remains a widely used classroom textbook This new volume explores recent developments in and approaches to biblical criticism since 1999 Leading contributors define and describe their approach for non specialist readers using examples from the Old and New Testament to help illustrate their discussion Topics include cultural criticism disability studies queer criticism postmodernism ecological criticism new historicism popular culture postcolonial criticism and psychological criticism Each section includes a list of key terms and definitions and suggestions for further reading    **Jung**

**and the Bible** Wayne Rollins,2013-09-01 Out of the life and thought of a noted psychologist Carl Jung comes a captivating approach to reading and interpreting the Bible The book opens with the question Why is it that the images characters and stories of Scripture have the power to catalyze the imagination of the human psyche not only among religious people but also among artists moviemakers playwrights and songwriters some of whom are disenchanted with church clergy and established religion The answer to the question begins with Jung s statement that the Bible is an utterance of the soul Jung sees the Bible as a treasury of the soul psyche that is the testimony of our spiritual ancestors proclaiming in history and law prophecy and psalm gospel and epistle genealogy and apocalypse their experience of the holy and drawing us and others through us into that experience The Bible is no stranger to Carl Jung No document is cited by Jung more often and no cast of characters from any tradition is summoned to the stage of Jung s discourse with greater regularity than are the Adams and Abrahams the Melchizedeks and Moseses the Peters and Pauls of Judaeo Christian Scripture 185 biblical figures in all Beyond that the realities and experiences that concern Jung most are also those that occupy prime attention in the writings of biblical authors a sense of soul of personal destiny and call an openness to the wisdom of dreams revelations and visions the power of symbols and archetypal images the riddle of evil within God s world and above all the sense of God the numinous the Holy at the center of things Henri Nouwen and Soul Care Wil Hernandez,2008 A synthesis of Henri Nouwen s integrated approach to spiritual formation which is both driven and tempered by his integral relationship with psychology ministry and theology Psychological Hermeneutics for Biblical Themes and Texts: HAROLD J.
