guide provides excerpts from the text alongside her own visceral and deep rooted interpretations which will enlighten readers to the endless potential which can be gleaned from the Gospel Guiding the reader with clarity and conviction The Companion Guide to The Gospel of Thomas provides a way for readers to use the Gospel as a vessel for introspection allowing them to search deep within themselves for their own unique truth and meaning The book contains real life case studies of people whose lives have been drastically changed by the teachings of the Gospel as well as suggested further reading for each chapter The Companion Guide to The Gospel of Thomas is a manual for the practical application of spiritual principles challenging readers not only to make sense of this ancient text in their own unique way but also to live its message to make profound change in their day to day lives *Percussive Notes* ,2007 **Missa Cantata** Liturgical Press,Various,2008-08 The Documentary as seen on PBS Noted by Google as a best book of 2008 Award winning producer Morgan Atkinson s documentary and the companion book of the same title come together for the first time in Soul Searching The Journey of Thomas Merton book with DVD The documentary DVD which is scheduled to air on US PBS stations this December is included in the inside back cover of this new hardcover edition of the companion book The book draws us into the geographical landscape of Thomas Merton s life in America a landscape that was intrinsic to his spiritual journey Containing a considerable amount of rich material unused in the documentary Soul Searching is alive with the narrative of those who either knew Merton well or passionately care about him Father Daniel Berrigan Rosemary Ruether Martin Marty Paul Elie and many others Their insights are linked to the places from the Abbey of Gethsemani to the Redwoods Monastery in California from New York City to Christ in the Desert Monastery in New Mexico that both nurtured and shaped Merton The picture that emerges through both the narrative and vivid photography is filled with provocative insights into the interior landscape of one of the spiritual giants of modern times **The Journey of Thomas Merton** Morgan C.
