

SOURCE

The background of the cover is a stylized landscape. At the top, a bright yellow sun or light source is partially obscured by the word 'SOURCE'. Below the sun is a large, blue mountain peak with some texture. The foreground is dark and appears to be a body of water reflecting the sky and mountain, with some orange and red hues at the bottom.

Source Joseph Jaworski,2012-02-06 As he did in his classic Synchronicity Joseph Jaworski once again takes us on a mind expanding journey this time to the very heart of creativity and deep knowing Institutions of all sorts are facing profound change today with complexity increasing at a speed and intensity we ve never experienced before Jaworski came to realize that traditional analytical leadership approaches are inadequate for dealing creatively with this complexity To effectively face these challenges leaders need to access the Source from which truly profound innovation flows Many people including Jaworski himself have experienced a connection with this Source often when called upon to respond in times of crisis moments of extreme spontaneity and intuitive insight Actions simply flow through them seemingly without any sort of conscious intervention But these experiences are chance occurrences ordinarily we don t know how to access the Source and we even have a blind spot as to its very existence In an extraordinarily wide ranging intellectual odyssey Jaworski relates his fascinating experiences with quantum physicists cognitive scientists indigenous leaders and spiritual thinkers all focused on getting to the heart of the Source Ultimately he develops four guiding principles that encompass the nature of the Source and what we need to do to stay in dynamic dialogue with it Using the combination of narrative and reflection that made Synchronicity so compelling Jaworski has written a book that illuminates the essential nature not only of visionary leadership but also of relationships consciousness and ultimately reality itself

Source Joseph Jaworski,2012-02-06 Picking up where he left off in his bestselling book Synchronicity over 150 000 copies sold Joseph Jaworski tells the story his and his colleagues discovery of the ultimate Source of visionary leadership transformation and breakthrough innovation

Leadership in Unknown Waters Lisa Withrow,2020-10-29 Leadership in Unknown Waters invites organizational leaders and their teams to engage powerful questions amidst ambiguity and uncertainty as they move from the way things were to an emerging future This liminality a threshold in space and time allowing for transition from something old to something new is fraught with both difficulty and opportunity Leaders teams and individuals who navigate this space skillfully will land in surprisingly dynamic places encountering stories metaphors and inspiration for traversing the threshold not only competently but with curiosity and confidence In this way futures are created that are not possible with fear based planning or quick fixes Withrow s method intersects the human imagination through a visual living metaphor water with attention to space liminality or transitional space and focus on role leadership development for powerful engagement with what organizational learning theorists call the emerging future Here the theoretical meets the practical and research informs the how to and why Diving into unknown waters with tools and wisdom can create a better future for all who face change whether within corporations not for profit organizations faith communities family systems or interpersonal relationships
