Tax Bracket Goodreads Choice Guide

Jonathan Lipow

Tax Bracket Goodreads Choice Guide:

The Chicago Guide for Freelance Editors Erin Brenner,2024-05-08 The definitive guide to starting and running a freelance editing business You ve been thinking about shifting into the world of freelance editing but you don t know where to start In a time when editors are seeking greater flexibility in their work arrangements and schedules freelancing is an increasingly common career option But deciding to go it alone means balancing the risks with the rewards From the publisher of The Chicago Manual of Style comes The Chicago Guide for Freelance Editors the definitive guide to running your business and finding greater control and freedom in your work life In this book Erin Brenner an industry leader and expert on the business of editorial freelancing gathers everything you need to know into a single resource Brenner has run her own successful editing business for over two decades and has helped hundreds of editors launch or improve their businesses through her teaching blog writing and coaching The Chicago Guide for Freelance Editors will walk you through the entire process of conceiving launching and working in a freelance editing business from deciding on services and rates to choosing the best business structure to thinking through branding and marketing strategies and beyond This book is ideal for beginning freelancers looking to get set up and land their first clients but it s equally valuable to those who have already been freelancing with detailed coverage of such issues as handling difficult clients and continuing professional development You ll find a collection of advice from other successful freelance editors in this guide as well as an extensive list of resources and tools In the final and perhaps most important chapter Brenner teaches you how to care for the key component of the business yourself

Public Policy for Progressives Jonathan Lipow,2023-11-25 The purpose of this book is to offer those who identify with America s democratic political left broadly defined to include Democrats Democratic Socialists Greens Libertarians and even liberal Republicans a guide to understanding how rigorous analysis can be applied in order to identify public policies that are both consistent with their values and likely to actually work The book argues the importance of reference to basic scientific principles in particular social science and economic principles and factual evidence for people who identify with the political left rather than them assuming automatic positions on issues Foundational scientific principles such as general equilibrium Keynesian economics asymmetric information the use of proxy variables and causal inference are discussed and explained The book consists of 12 chapters Following two foundational chapters the book addresses areas including monetary policy income redistribution healthcare social security education immigration climate change the proper roles of the public and private sectors of the economy and race relations Written in accessible engaging and non technical language Public Policy for Progressives will be of interest to scholars and students of economics philosophy political science and public policy as well as policy makers themselves
