 formidable Mughal begums who boldly navigated the imperial courts brokered powerful deals reshaped Delhi's skyline  
 created private spaces for women fought battles and resisted patriarchy all from their place behind the purdah In *Badass  
 Begums* Anoushka Jain introduces you to ten such Mughal era women whose lives rippled with ambition romance intrigue  
 and fierce resilience Jahanara Begum Shah Jahan's favourite daughter who designed Chandni Chowk and her sister the  
 firebrand Roshanara Begum who schemed with Aurangzeb to take over her father's empire the invincible Begum Samru a  
 tawaif turned ruler who led her own army into battles Maham Anga and Mubarak Begum whose counsel rivalled that of chief  
 ministers and the resolute Qudsia Begum who built riverfront gardens only to see them battered by rebellions these and  
 other stories come alive in a riveting narrative and walking tour maps of the places they lived in or curated Based on rigorous  
 research and written with warmth *Badass Begums* is an eye opening journey through the breathtaking legacies still hidden in  
 the by lanes of Delhi *The Sacred Chain* Jim Stump, 2024-04-02 In this marvelously accessible book philosopher Christian  
 Jim Stump provides the reader with new eyes for a journey through time the origin of the soul suffering and morality and  
 reveals how the latest scientific findings about what it means to be human have led him to a deeper and more authentic faith  
 Francis S Collins Director of the Human Genome Project and Founder of BioLogos author of *The Language of God* A thought  
 provoking and eye opening work by Jim Stump Vice President at BioLogos and host of the *Language of God* podcast offering  
 a compelling argument about how evolution does not have to be at odds with faith but can actually enrich and deepen it In  
 this moving and deeply thoughtful book Jim Stump takes readers with him on his journey to understanding evolution and  
 reconciling it with his faith *The Sacred Chain* draws on philosophy theology and the latest scientific research to tackle some  
 of the biggest questions facing humanity and people of faith today such as How can we hold the Bible as a sacred text and yet

reconcile modern science with it By condensing noteworthy events in the history of our universe into one calendar week what can we learn about God s creative process and priorities and where humans fit in If humans are created in the image of God what does evolution have to teach us about our species and our place in creation What about the soul How can we understand our transcendent qualities if the human body is the product of evolution How does evolutionary science help us understand how God might use pain and suffering for important and good purposes Does it have to be one or the other science or religion or is there a third way one that not only preserves faith in the face of modern science but leads to a stronger more relevant and more authentic faith Deeply researched and a delight to read The Sacred Chain provides clarity in our uncertain times revealing a bigger picture of our world and our place within it It is a panorama consistent with the scientific findings about who we are and where we come from that can actually bolster our faith as it engages our curiosity about ourselves our universe and the nature of existence itself *Pivot or Die* Gary Shapiro,2024-10-08 From Gary Shapiro New York Times bestselling author and head of CES and the Consumer Technology Association a manifesto for today s top executives entrepreneurs and leaders pivot or die As CEO of the Consumer Technology Association owner and producer of CES Gary Shapiro has had a front row seat to the launch of nearly every recent major technology He s seen tech companies rise and fall and bankrupt entrepreneurs become billionaires After more than four decades in the industry he knows that leaders who make it in the tech world have one thing in common they know how to pivot Drawing upon detailed case studies economic theory and personal experience *Pivot or Die* offers a behind the scenes look at the development of innovative technology and business strategies Along the way Shapiro offers a pivot framework for leaders in technology and beyond to stay flexible and agile The startup pivot how startups can shake up industries and maximize the advantage of new ideas The forced pivot adapting to the unforeseeable or simply unforeseen and meeting shifting consumer demands The failure pivot why failure can deliver better lessons than success and how to take those lessons forward The success pivot Beating the market by seizing opportunity and out pivoting your competitors In laying out each of these pivots Shapiro shares unique lessons on how leaders can change minds and mindsets and steer their organizations to success in an increasingly competitive environment **The Evolution of Management Thought** Daniel A. Wren,Arthur G. Bedeian,2023-09-27 The new edition of the canonical text on the history and development of management thought Far more than a chronicle of the historical development of modern management s many roots the newly released ninth edition of *The Evolution of Management Thought* by Daniel A Wren and Arthur G Bedeian is a fascinating telling of how ideas about the nature of work the nature of human beings and the nature of organizations have changed throughout history Its methodology is analytic synthetic and interdisciplinary It is analytic in that it examines the backgrounds experiences and beliefs of people who made significant contributions to management thinking It is synthetic in that it weaves developmental trends social movements and environmental forces into a conceptual framework for understanding how management thinking has evolved within and

across generations It is interdisciplinary in that it draws insights from economics history political science psychology and sociology to explain why management thinking has developed as it has The authors trace the intellectual history of modern management thought as an activity and as an academic discipline in a way that makes reading *The Evolution of Management Thought* a thoroughly enjoyable encounter Designed for upper level and graduate courses this new edition further cements *The Evolution of Management Thought*'s place as the standard text in the field of management history for more than half a century
