The Professional Photographer, 1952 *Safety Education*, 1962 **168 Hours** Laura Vanderkam, 2011-05-31 It s an unquestioned truth of modern life we are starved for time We tell ourselves we d like to read more get to the gym regularly try new hobbies and accomplish all kinds of goals But then we give up because there just aren t enough hours to do it all Or if we don t make excuses we make sacrifices taking time out from other things in order to fit it all in There has to be a better way and Laura Vanderkam has found one After interviewing dozens of successful happy people

she realized that they allocate their time differently than most of us. Instead of letting the daily grind crowd out the important stuff, they start by making sure there's time for the important stuff. When plans go wrong and they run out of time, only their lesser priorities suffer. Vanderkam shows that with a little examination and prioritizing, you'll find it is possible to sleep eight hours a night, exercise five days a week, take piano lessons, and write a novel without giving up quality time for work, family, and other things that really matter.

As she stumbles into a new phase of life, also known as the Golden Years, Charli cannot help but wonder where the gold and her husband Pud are hiding. Pud is happily cruising down the retirement path that for him leads straight to the golf course. While Charli spends her days at home cleaning out closets and the basement, she yearns to gaze deeply into Pud's blue eyes and remember all the reasons why she fell in love with him thirty years ago. Unfortunately, the only thing Pud is eying is the next fairway. Knowing there is more to savor in retirement than silver hair shampoos, senior discounts, and hernia surgery, Charli embarks on a quest to do whatever it takes to spend retirement in the embrace of the man she loves. But is it too late for happily ever after? In this humorous novel, a high energy wife and her solid guy must learn to adjust to a new chapter in their lives and find their way back into each other's hearts after their retirement begins with a jolt.
