The Digital Is Kid Stuff Josef Nguyen, 2021-12-28
How popular debates about the so called digital generation mediate anxieties about labor and life in twenty first century America. The children are our future goes the adage, a proclamation that simultaneously declares both anxiety as well as hope about youth as the next generation. In *The Digital Is Kid Stuff* Josef Nguyen interrogates this ambivalence within discussions about today's digital generation and the future of creativity, an ambivalence that toggles between the techno pessimism that warns against the harm to children of too much screen time and a techno utopianism that foresees these digital natives leading the way to innovation, economic growth, increased democratization and national prosperity. Nguyen engages cultural histories of childhood, youth and creativity.

through chapters that are each anchored to a particular digital media object or practice Nguyen narrates the developmental arc of a future creative laborer from a young kid playing the island fictions of Minecraft to an older child learning do it yourself skills while reading Make magazine to a teenager posting selfies on Instagram to a young adult creative laborer imagining technological innovations using design fiction Focusing on the constructions and valorizations of creativity entrepreneurialism and technological savvy Nguyen argues that contemporary culture operates to assuage profound anxieties about and to defuse valid critiques of both emerging digital technologies and the precarity of employment for creative laborers in twenty first century neoliberal America [Instagram Power, Second Edition: Build Your Brand and Reach More Customers with Visual Influence](#) Jason Miles,2019-03-08 Publisher s Note Products purchased from Third Party sellers are not guaranteed by the publisher for quality authenticity or access to any online entitlements included with the product The essential guide to marketing and building your business on Instagram today s hottest social media platform While other social sites are declining in popularity Instagram is hotter than ever and shows no signs of cooling off any time soon But it s not just users that are flocking to the site marketers love it too With more features and marketing capabilities than ever Instagram is a channel that smart marketers can t afford to avoid Filled with proven strategies from leading Instagram experts this updated edition of Instagram Power walks you through the steps of setting up your account actionable monetization methods you can use and how to integrate the social media platform into your complete marketing approach With 15 new chapter subsections and revisions throughout the book shows you how to leverage all the new features including Insights IGTV Shop able Posts Stories and Instagram Ads You ll discover how to Leverage Instagram to build and strengthen your business or personal brand Design an effective marketing plan for the platform Sell directly on Instagram with Shop able posts Avoid common pitfalls and much more If you re serious about marketing you need to tap into the power of the world s most popular photo sharing platform This guide offers a road map to achieving Instagram marketing success
