**Sampling in Judgment and Decision Making** Klaus Fiedler,Peter Juslin,Jerker Denrell,2023-06-15 Sampling approaches to judgment and decision making are distinct from traditional accounts in psychology and neuroscience While these traditional accounts focus on limitations of the human mind as a major source of bounded rationality the sampling approach originates in a broader cognitive ecological perspective It starts from the fundamental assumption that in order to understand intra psychic cognitive processes one first has to understand the distributions of and the biases built into the environmental information that provides input to all cognitive processes Both the biases and restriction but also the assets and capacities of the human mind often reflect to a considerable degree the irrational and rational features of the information environment and its manifestations in the literature the Internet and collective memory Sampling approaches to judgment and decision making constitute a prime example of theory driven research that promises to help behavioral scientists cope with the challenges of replicability and practical usefulness [Modern Romance](#) Aziz Ansari, Eric Klinenberg,2016-06-14 The 1 New York Times Bestseller An engaging look at the often head scratching frequently infuriating mating behaviors that shape our love lives Refinery 29 A hilarious thoughtful and in depth exploration of the pleasures and perils of modern romance from Aziz Ansari the star of Master of None and one of this generation s sharpest comedic voices At some point every one of us embarks on a journey to find love We meet people date get into and out of relationships all with the hope of finding someone with whom we share a deep connection This seems standard now but it s wildly different from what people did even just decades ago Single people today have more romantic options than at any point in human history With technology our abilities to connect with and sort through these options are staggering So why are so many people frustrated Some of our problems are unique to our time Why did this guy just text me an emoji of a pizza Should I go out with this girl even though she listed Combos as one of her favorite snack foods Combos My girlfriend just got a message from some dude named Nathan Who s Nathan Did he just send her a photo of his penis Should I check just to be sure But the transformation of our romantic lives can t be explained by technology alone In a short period of time the whole culture of finding love has changed dramatically A few decades ago people would find a decent person who lived in their neighborhood Their families would meet and after deciding neither party seemed like a murderer they would get married and soon have a kid all by the time they were twenty four Today people marry later than ever and spend years of their lives on a quest to find the perfect person a soul mate For years Aziz Ansari has been aiming his comic insight at modern romance but for Modern Romance the book he decided he needed to take things to another level He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita They analyzed behavioral data and surveys and created their own online research forum on Reddit which drew thousands of messages They enlisted the world s leading social scientists including Andrew Cherlin Eli

Finkel Helen Fisher Sheena Iyengar Barry Schwartz Sherry Turkle and Robb Willer The result is unlike any social science or humor book we've seen before In Modern Romance Ansari combines his irreverent humor with cutting edge social science to give us an unforgettable tour of our new romantic world **Social Reading Cultures on BookTube, Bookstagram, and BookTok** Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube Bookstagram and BookTok as an increasingly important influence on contemporary book and literary culture It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices bookish social media has elevated the agency and visibility of readers and book consumers within literary culture It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture Concise and accessible this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature sociology media and cultural studies as well as teachers and professionals in the book and library industries

**Righteousness, Volume 2** Jeffrey J. Niehaus, 2023-10-19 The second volume of this three volume work exegetes and comments on every occurrence of the Hebrew terms for righteousness in the Old Testament It begins with a discussion of apperception and deductive method and concludes with an afterword on righteousness and ontology The ontological argument affirms that God's aseity is the foundation of righteousness in the Bible and thus of all true righteousness Righteousness is being true to God and God is always true to himself including in his self existence Other terms in the righteous word group such as righteous and justify are considered along with the important word pair righteousness and justice in semantic domain studies in the first three chapters Semantic domain studies show that terms like upright blameless and good are qualifiers of righteousness Whatever the flavor or nuance of the terms for righteousness may be in different OT contexts however study shows that the underlying sense of righteousness is conformity to God's Being and doing and the same is true of the righteousness of God **LifeCrafting** Bradley R.
