**A Shot in the Dark** Victoria Lee,2023-09-05 NATIONAL BESTSELLER A passionate and powerful romance featuring a transgender man and an ex Orthodox woman who find each other through their devotion to art and fall in love despite all odds from bestselling author Victoria Lee A sensual love story about art and passion emotional and heart aching Ashley Poston New York Times bestselling author of The Dead Romantics A BEST BOOK OF THE YEAR PopSugar She Reads Publishers Weekly Elisheva Cohen has just returned to New York after almost a decade away The wounds of her past haven t fully healed but four years of sobriety and a scholarship to study photography with art legend Wyatt Cole are signs of good things to come right They could be as long as Ely resists self sabotage She s lucky enough to hit it off with a handsome himbo her first night out in the city But the morning after their mind blowing hookup reality comes knocking When Wyatt Cole walks into the classroom Ely realizes the man she just spent the night with the man whose name she couldn t hear over the loud club music is her teacher Everyone in the art world is obsessed with Wyatt Cole He s immensely talented and his notoriously reclusive personal life makes him even more compelling But behind closed doors Wyatt s past is a painful memory

After coming out as transgender Wyatt was dishonorably discharged from the military and disowned by his family. Since these traumatic experiences Wyatt has worked hard for his sobriety and his flourishing art career. He can't risk it all for Ely no matter how attracted to her he is or how bad he feels about insisting she drop his class in exchange for a strictly professional mentorship. Wyatt can help with her capstone photography project but he cannot under any circumstances fall in love with her in the process. Through the lens of her camera Ely must confront the reason she left New York in the first place: the Orthodox community that raised her then shunned her because of her substance abuse. Along the way Wyatt's walls begin to break down and each artist fights for what's right in front of them: a person who sees them for all that they are and a love that could mean more than they ever imagined possible. *Dictionary of Quotations from Ancient and Modern, English and Foreign Sources*, 1893

[The Hidden Psychology of Social Networks: How Brands Create Authentic Engagement by Understanding What Motivates Us](#) Joe Federer, 2020-09-15 From the former Head of Brand Strategy at Reddit comes a proven and thought provoking approach to the digital economy and how brands can create authentic engagement that is rooted in the fundamental motivations behind human psychology. Leading marketing practitioner and thought leader Joe Federer draws on evolutionary biology, anthropology, neuroanatomy and psychology as well as more than a decade of hands on experience to explain why people act so differently in various online spaces and what they are seeking from participating in each one. With a framework based on Freud's Id, Ego and Superego model of the human psyche he demonstrates how the internet is a digital reflection of the collective human psyche and how different social networks correspond to different mindsets: platforms like Reddit to the unfiltered Id; Facebook and Twitter to the managed Ego; and Instagram to the ideal Superego. In the same way you behave differently when you're home alone, out with friends, communicating with family or interacting with coworkers, people act and express themselves differently in these various online spaces. Context matters. Understanding this will enable you to develop and execute effective engagement strategies to reach your target audiences on each social network. Learn how to create content that drives sharing and word of mouth; how brands can fit natively into different types of social channels; how to balance branded social presences across different networks; why authenticity will only grow in importance to consumers. Fascinating and deeply compelling, *The Hidden Psychology of Social Networks* will equip you to make vastly more efficient use of your media buys, establish more thoughtful strategies, develop better creative and, in the end, deliver more effective marketing that provides value.
