Sony Ericsson 520a:

Messages from the Other Side Alice Heaven,2008-08-08 Paul Ryan my nephew has been an inspiration to me which ultimately prompted me to write this book of his amazing experiences and research with communicating with the dead It is exciting and will give comfort to those who have lost loved ones in death and gives hope knowing that we are able to contact them after death It is utterly amazing and difficult to understand how the Spirit world and our world is able to connect But with all the electronics available to us Paul through his research and his tape recordings have proved these are voices from the other side
