**Sorry, You're Just Not My Type** Stephanie Tom Tong,2008 Although online dating has increased in popularity little is known about how online daters respond to date requests or how they handle the delivery of romantic rejection This research was designed to identify the types of linguistic strategies employed in romantic date rejection One hundred and ninety respondents were asked to compose a message rejecting a romantic date request initiated by a member of the opposite sex Results showed that use of politeness strategies varied as a function of the relationship between the requester and rejector acquaintance vs stranger and the type of media used email vs online dating messaging service Additionally it was found that online daters take advantage of certain features provided by dating website messaging services which allow new ways for rejectors to deliver refusals that were not previously available in FtF i e face to face communication or prior types of CMC Abstract

**Not My Type** Jael,2011-05-18 One look at Marlena Porter reignites in Pastor Noah Phillips the passion to live life to its fullest Not since the death of Colleen has Noah so deeply desired to capture the love of a woman How can he get her to understand that race is not an issue in the eyes of God Marlena Porter cannot understand her attraction to Pastor Noah Phillips After all Caucasian men have never appealed to her and to make matters worse he pastors a prominent all white suburban church She would have to be a glutton for rejection or foolishly in love to allow him to court her Either way there is a threatening storm brewing on the horizon

imaginative stories in Rivka Galchen's American Innovations a narrator's furniture walks out on her In another the narrator feels compelled to promise to deliver a takeout order that has incorrectly been phoned in to her In a third the petty details around a property transaction detail the complicated pains and loves of a family The stories in this unusual collection also have secret lives in conversation with earlier stories As in the tradition of considering Wallace Stevens's Anecdote of the Jar as a response to John Keats Ode on a Grecian Urn Galchen's The Lost Order covertly recapitulates James Thurber's The Secret Life of Walter Mitty while The Region of Unlikeness is a smoky and playful mirror to Jorge Luis Borges's The Aleph The title story American Innovations reimagines Nikolai Gogol's The Nose Alternately realistic fantastical witty and lyrical these are all deeply emotional tales written in exuberant pitch perfect prose and shadowed by the darkly marvellous and the marvellously uneasy Whether exploring the tensions in a mother daughter relationship or the finer points of time travel Galchen takes great risks proving that she is a writer like none other today      **System** Arch Wilkinson Shaw,1925
