

SOUL HEALING DECREES

Prayer Activation: Soul Healing

Lord Jesus, I ask that You heal all the wounds in my soul. I believe that You can wash me clean of any sin that wounded me, heal me of every trauma I have lived through, and wipe out all the generational iniquities and wounds in my bloodline. I believe that You are the lover of my soul and will cause me to have breakthrough in every area where I need healing. I lift my praises to You and thank You in advance for the victory! In Jesus' name, Amen.

Prayer Activation: Soul Healing to Manifest

Lord Jesus, I believe that even now, You are healing me of every wound in my soul that is driving me to sin, that is determining who I am and controlling what I say. I believe every wound that is causing my emotions to be unbalanced is being healed. I decree that You are healing every wound in me that is ruining my relationships, sabotaging my finances, making me physically sick, and even opening me up to demonic attack. I also believe that any long-term illnesses I have been suffering from are going to finally be healed as You prosper me in health, even as my soul is prospered. I thank You, Lord, for the amazing victory You are bringing me now. In Jesus' name I pray, Amen.

Prayer Activation Decrees Based on Christ's Complete Finished Work

Lord, I cease from my own works of excessive religious rituals, fear, and unbelief, and I choose instead to labor to enter into Your rest through my faith in Christ's finished work and biblical decrees.

I believe and decree the truth that Jesus has already shed His blood once for all for all my sin and that His sacrifice on the cross is a finished work. Through Christ I have already been given everything I need for life and godliness (Romans 6:10; 1 Peter 3:18).

Lord, I yoke myself to Your finished work. As I learn about what You have already done for me, I will find blessed tranquility and rest for my soul (Matthew 11:29).

I believe God demonstrated His own love for me in this: while I was still a sinner, Christ died for me (Romans 5:8).

Jesus, when You died on the cross, You said, "It is finished." You died to sin once for all, the just for the unjust, so that You might bring me to God. I have been put to death in the flesh but made alive in the spirit. I gratefully rest in Your completed work (John 19:30; 1 Peter 3:18).

Jesus, You knew no sin, yet You became sin on my behalf so that I might become the righteousness of God in You (2 Corinthians 5:21).

Jesus, You canceled out my sin and the certificate of debt, consisting of decrees that were against me, by taking it out of the way, having nailed it to the cross (Colossians 2:14).

Jesus, You bore my sins in Your body on the cross, that I might die to sin and live to righteousness; for by Your stripes I am already healed (1 Peter 2:24).

Fleischman,1912 La Mettrie: Machine Man and Other Writings Julien Offray de La Mettrie,1996-04-18 Julien Offray de La Mettrie 1709-51 author of Machine Man 1747 was the most uncompromising of the materialists of the eighteenth century and the provocative title of his work ensured it a succès de scandale in his own time It was however a serious if polemical attempt to provide an explanation of the workings of the human body and mind in purely material terms and to show that thought was the product of the workings of the brain alone This fully annotated edition presents an English translation of the text together with the most important of La Mettrie's other philosophical works translated into English and Ann Thomson's introduction examines his aims and the scandalous moral consequences which he drew from his materialism *Launcelot and Guenevere* Richard Hovey,1900 *Rhetoric and Reality in Plato's "Phaedrus"* David A. White,1993-02-23 The Phaedrus is well known for the splendid mythical panorama Socrates develops in his second speech and for its graphic descriptions of erotic behavior This book shows how the details of the myth and the accounts of interaction between lovers are based on a carefully articulated metaphysical structure It follows the dialogue as narrated showing how passages that may not appear relevant to metaphysics have been deployed to heighten the vision of reality that Socrates develops in his second speech and concludes with an Epilogue in which the metaphysical principles adumbrated in the dialogue are ordered and briefly developed This Epilogue helps illustrate the continuity between the Phaedrus and subsequent dialogues such as the Parmenides Sophist Statesman and Philebus in which methodological and metaphysical concerns are dominant for Plato As a result new connections emerge between the metaphysical domain in Plato's thought and the more visible and vibrant areas of the psychology of eros and practical rhetoric **Michigan Christian Advocate**,1909 Taliesin Richard Hovey,1896 Aeneid Virgil,1909 **The Poetical Works of John Dryden** John Dryden,1909
