

## Loan Repayment Schedules

When it comes time to repay your Federal Direct Student Loan, you will need to select a repayment plan. There are several repayment plans: standard, extended, graduated, income contingent, income based, and pay-as-you-earn. How much you pay and how long you take to repay your loans will vary depending on the repayment plan you choose. Consolidation loans also have varying repayment plans.

The following link will take you to the U.S. Department of Education's Direct Loan "Calculators and Interest Rates" webpage where you can estimate your repayment amounts under each of these different plans.

<http://www.direct.ed.gov/calc.html>

The following sample repayment chart can be used to estimate your loan repayment under the standard repayment plan. It is for estimating purposes only.
