Proceedings of the 1st International Conference on Research in Communication and Media (ICORCOM 2021)

Oktaviana Purnamasari, Muhammad Yusuf, Kirti Dang Longani, Syifa Astasia Utari, Tria Patrianti, Amin Shabana, 2023-12-14 This is an open access book. The 1st International Conference On Research in Communication and Media ICORCOM is an international conference organized by Institute of Research and Community Services LPPM University of Muhammadiyah Jakarta to discuss the most recent scientific studies in the field of communication and media in Indonesia and around the world. The theme raised in ICORCOM is Today's Global Transformation in Communication and Media Studies. It is known that the science of communication and media is very dynamic and always develops according to the times and existing technology. So it is hoped that through this ICORCOM it can contribute to updating information and studies related to communication and media studies. With the theme Today's Global Transformation in Communication and Media Studies we encourage scholars to answer key questions related to developments taking place in communication fields such as public relations, advertising, broadcasting, and many others. ICORCOM will be a forum that actively engages students in conference as well as other scientific competitions. The findings and recommendations made at this international forum will have a significant impact on the advancement of science and practice in related industries. As a result the beneficiaries of this forum are not only important for academics and students but also for other stakeholders such as government practitioners, policymakers and others.
