College Rankings Guide:

The Other College Guide Jane Sweetland, Paul Glastris, Staff Washington Monthly, 2015 From the award winning insiders at Washington Monthly an essential handbook that demystifies and illuminates the American college process for the rest of us a new kind of college guide chock full of the hard to find information that students and parents really want to know

Students' Guide to Colleges Jordan Goldman, Colleen Buyers, 2005-08-02 College guides are a must for any teenager trying to choose the right school. Unfortunately most guidebooks are vague boring tomes written by administrators and journalists instead of the real experts the college students that actually go there. *Students' Guide to Colleges* is different. Entirely student written and edited this invaluable resource cuts through the cant with comprehensive listings of the vital statistics and requirements for America's top 100 schools accompanied by three totally honest fresh fun to read descriptions penned by attending undergrads from different walks of life. Want to know how big classes really are. How rigorous the academics get. Or how greek or granola chill or up tight homogenous or diverse gay or straight a campus really is. Lively irreverent and insightful the *Students' Guide to Colleges* is the only guidebook that offers multiple perspectives on each school and tells it like it is so that college applicants can make the best choice when deciding where they want to spend their college years. More than 30 000 students surveyed. Preface by Chuck Hughes former senior dean of admissions at Harvard University
