Intermediate Accounting, Volume 1 Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, Irene M. Wiecek, Bruce J. McConomy, 2019-01-09 Intermediate Accounting 12th Edition Volume 1 continues to be the number one intermediate accounting resource in the Canadian market. Viewed as the most reliable resource by accounting students, faculty and professionals, this course helps students understand, prepare and use financial information by linking education with the real world accounting environment. This new edition now incorporates new data analytics content and up to date coverage of leases and revenue recognition.

PC Mag, 1999-09-01 PCMag.com is a leading authority on technology, delivering Labs based independent reviews of the latest products and services. Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology.

The Application of Contracts in Developing Offshore Oil and Gas Projects Philip Loots, Donald Charrett, 2019-03-14 This book provides a comprehensive overview of the key aspects and contracts involved in the process of developing oil and gas projects with an emphasis on offshore developments. Project development in oil and gas carries with it numerous unique risks and challenges. By identifying and managing risk through the various contract stages, each stage of the project is seen in perspective and therefore gives readers a better understanding of how that stage was arrived at and what is expected to come later. To do this, the authors use illustrative international case studies from past and current projects, thereby deepening the reader's understanding and awareness of risk from practical experience as well as suggesting answers for those who are involved in developing oil and gas projects.

The Application of Contracts in Developing Offshore Oil and Gas Projects is intended for project owners, project managers, contractors, finance managers, commercial managers and lawyers who seek to understand the subject from a practical point of view.
