During the game, seventy fans were ejected from the stadium, one person was beaten unconscious in the men's room, and two men were shot in the

parking lot after the game This is hardly an isolated incident At any given game fans get kicked out and arrested for acting out In the spring of 2014 alone soccer headlines screamed of a fan killed in Brazil a supporter who punched a police horse in England and three fans shot in Italy But why do fans resort to such violence What drives them to abandon societal norms and act out in unimaginable ways **Fanaticus** Mischief and Madness in the Modern Sports Fan explores the roots of extreme fanaticism from organized thuggery to digital hate speech Justine Gubar divulges outrageous and often shocking incidents including first hand accounts from both the transgressors and victims Gubar reaches back into ancient times providing a history of fan violence throughout the ages before delving into events of misbehavior violence and hatred in the United States and around the world She revisits several notorious riots and tragedies throughout the United States Europe Asia and Latin America in order to understand mayhem on a global scale In addition Gubar investigates the sports leagues and the security and beverage industries so as to explain the roots of fan misbehavior and to dispel common myths that are often invoked to understand the madness Featuring original interviews with European football hooligans rioting college students stadium security experts and many others **Fanaticus** provides a rare window into what drives human behavior Together these voices create the fullest picture of modern fan violence ever written
