## At Home and Out and About

If your child is learning phonics at school, you might want to support them at home by finding out what to do.

You might be the first to find out what phonics is the next time you're at school, but you need to be sure that you're supporting your child's learning. Here are some ways to help your child practise their phonics skills at home.

If you are not sure what phonics means, here are some things you can do to help your child practise their phonics skills at home:

# Fun in the Kitchen

## Top Tip

Ask your child to help you prepare a meal. If you're going to make a sandwich, ask them to help you slice the bread. If you're going to make a cake, ask them to help you mix the ingredients.

## Top Tip

Ask your child to help you clean up after a meal. If you're eating at a table, ask them to help you clear the table.

*Introduction to Sounds and Words* Molly Rodgers,2024-12-31 Using pictures to identify letters and their associated sounds Learning to read is one of life s most important skills and thus a crucial goal of the school curriculum Of the many strategies and tactics that help children become efficient readers no programs have proved more effective than those that include phonics Phonics helps students become independent readers by teaching them to sound out the new words they encounter Just knowing the name of each letter of the alphabet is not enough to attain this skill it is not enough to help them play the word in their heads It is important to know that vowels have long and short sounds that there are different ways of spelling a specific sound and that sometimes two consonants together create a whole new sound while in other combinations each consonant is sounded out separately The Phonics Practice Simplified program will help students develop and master these and other sound symbol relationships that are important building blocks for reading success    *Te Gr2-1 Theme 3*
