Design for the Mind Victor Yocco, 2016-06-13 Summary Design for the Mind Seven Psychological Principles of Persuasive Design teaches web designers and developers how to create sites and applications that appeal to our innate natural responses as humans. Author Victor Yocco, a researcher on psychology and communication, introduces the most immediately relevant and applicable psychological concepts, breaks down each theory into easily digestible principles, and shows how they can be used to inform better design. Purchase of the print book includes a free eBook in PDF, Kindle, and ePUB formats from Manning Publications. About the Technology Designers and design team members need to think about more than just aesthetics. How do you handle short attention spans? How does your design encourage users to engage, browse, or buy? Fortunately, there are psychological principles that you can use in your design to anticipate and benefit from how humans think, behave, and react. About the Book: *Design for the Mind: Seven Psychological Principles of Persuasive Design* teaches you to recognize how websites and applications can benefit from an awareness of our innate natural responses as humans and to apply the same principles to your own designs. This approachable book introduces the psychological principles, deconstructs each into easily digestible concepts, and then shows how you can apply them. The idea is to deepen your understanding of why people react in the ways they do. After reading the book, you'll be ready to make your work more psychologically friendly, engaging, and persuasive. What's Inside: Making design persuasive, Encouraging visitors to take action, Creating enduring messages, Meeting the needs of both engaged and disengaged visitors, Becoming a strategic influencer, Applying theory with case studies and real world examples. About the Reader: This book is for web and UX designers and developers, as well as anyone involved in customer-facing digital products. About the Author: Victor Yocco, PhD, is a research director at a Philadelphia-based digital design firm. He received his PhD from The Ohio State University, where his research focused on psychology and communication in informal learning settings. Victor regularly writes and speaks on topics related to the application of psychology to design and addressing the culture of alcohol use in design and technology. He can be found at www.victoryocco.com or [victoryocco](https://twitter.com/victoryocco) on Twitter. Table of Contents: PART 1: INTRODUCING THE APPLICATION OF PSYCHOLOGY TO DESIGN: Meeting users' needs including psychology in design; PART 2: WHY DO FOLKS ACT LIKE THAT? PRINCIPLES OF BEHAVIOR: Designing for regular use, addressing planned behavior, Risky decisions and mental shortcuts, Motivation, ability, and trigger boom; PART 3: PRINCIPLES OF INFLUENCE AND PERSUASION: NOT AS EVIL AS YOU'D THINK: Influence, getting people to like and use your design, Using family, friends, and social networks to influence users; It's not what you say, it's how you say it; Persuasion, the deadliest art; PART 4: USER EXPERIENCE DESIGN: PUTTING IT ALL TOGETHER: Case study, KidTech Design Co's Good Choice app, The next step: getting up and running. *Digital Platforms and the Global South* Philippe Bouquillion, Christine Ithurbide, Tristan Mattelart, 2023-12-01 This book addresses the issues raised by digital platforms in the Global South with an emphasis on the cultural stakes involved. It brings together an

interdisciplinary team of researchers including political economists socio economists geographers media sociologists or anthropologists who each explore these issues through an insightful case study at a local national regional or international scale While studying the strategies of some of the main US based Big Tech platforms or video streaming platforms towards the Global South the chapters also consider the often neglected active role local or regional actors play in the expansion of those Western digital players and highlight the existence of a constellation of local or regional platforms that have emerged in Africa Asia Latin America or the Middle East In addition to analysing the complex relationships of competition collaboration or dependence between these diverse actors this volume examines the ways in which the rise of these digital platforms has generated new forms of cultural entrepreneurship and participated in the reconfiguring of the conditions in which cultural contents are produced and circulated in the Global South This volume will appeal to readers interested in the transnationalisation of cultural industries or in the social political economic cultural and geopolitical dimensions of digital transformations and will be an important resource for students teachers and researchers in media communication cultural studies international relations and area studies programmes The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license
