*Pandemonium* Mike Lauterborn,2020-07-15 There was no imagining what the state of the world would become when the news of the first cluster of infections was announced in late 2019 Those seeds would grow into a massively devastating global pandemic caused by Covid 19 It would have implications at every single level in society And from his beachside home in Fairfield CT just 40 miles northeast of New York City the epicenter of the disaster and as the editor of a local online news service Mike Lauterborn was in a position to capture it all The international and national impacts The effect on people and commerce at the local level The shift in lifestyle attitudes mental condition and future outlook that the pandemic caused The humor the tragedy the cheer the grief the patriotism the division the conspiracy theories the outpouring of love the show of rage the remarkable efforts of first responders the toll on front line workers It s all here as a lasting record for those of us who lived through it to recollect but also as a roadmap for future generations facing similar crises Here s what we did Here s what worked and didn t work Here s what you might try and here s what you

should avoid But in the end it's tough love and community hugs and family bonds that win the day worldstrong humanstrong communitystrong familystrong
