noticeable to him with it affecting his body vividly This presence communicated with him asking him if he would assist in a project which was very important Of course he agreed Later he became concerned as the presence never explained what the project was He worried what he would be asked to do As he grew into manhood every now and then the presence would make itself known to him by events designed to get his attention but which were extraordinary in nature As he continued to learn more and more the process accelerated until his experiences translated into greater extra ordinary events Now he has seen behind reality Now he knows and begins the project which the presence asked him to assist in long ago To empower the individual to experience and develop the 7th sense *Become Rich and Loved* Dorotu Honorius Riscuta,1993 Galileo,1978 *English Mechanic and Mirror of Science and Art* ,1874 *The Editor* ,1927 **Harper's Monthly Magazine** ,1912 Important American periodical dating back to 1850
