

The background of the image is a financial chart. The left side features a vertical olive-green bar. The main area is dark blue with a candlestick chart showing price fluctuations. Overlaid on the chart are several technical indicators: a yellow dashed line, a blue solid line, and a red dashed line. The title 'PRICE ACTION HIGH PROBABILITY SETUP' is prominently displayed in large, bold, white capital letters across the upper half of the chart. Below the title, the subtitle 'High Probability Setup to increase your Winning Rate' is written in a smaller, white font. The author's name 'DAVID ODOH' is positioned vertically on the left side, within the olive-green bar.

Choice & Voice Stephanie Fleck, Jolene Heinemann, 2020-08-15 What we allow our students to read tells them which stories we value and which we don't. Give students the power to develop reading lives that will endure beyond school walls. Collaborative Reader Workshop allows for student choice in reading, writing, and speaking; provides an authentic audience for student work; strengthens academic ELA skills; builds a wider school community of readers; and fosters lifelong reading habits. Fleck and Heinemann offer teachers a clear model to establish this interactive reader workshop model in their classrooms as well as tools to get them started. Readers will have a reinvigorated excitement about independent reading and justification for its relevance in the classroom.

Recalled To Life Robert Silverberg, 2024-03-18 In a world where death is no longer the end, Robert Silverberg's *Recalled To Life* explores the profound implications of resurrection technology on society and the human psyche. When Jim Harker, a journalist, is tasked with investigating the controversial practice of bringing the dead back to life, he uncovers a web of ethical dilemmas, political intrigue, and personal struggles. As he navigates this brave new world, Harker confronts questions about identity, the value of life, and the consequences of playing god. This gripping narrative challenges readers to consider the moral complexities and societal impacts of scientific advancements, making it a thought-provoking read that resonates deeply with contemporary issues of bioethics and the quest for immortality.

Inside Book Publishing Giles Clark, Angus Phillips, 2014-06-27 Now in its fifth edition, *Inside Book Publishing* remains the classic introduction to the book publishing industry, being both a manual for the profession for over two decades and the bestselling textbook for students of publishing. This new edition has been fully updated to respond to the rapid changes in the market and technology. Now more global in its references and scope, the book explores the tensions and trends affecting the industry, including the growth of ebooks, self-publishing, and online retailing, and new business models and workflows. The book provides excellent overviews of the main aspects of the publishing process, including commissioning, product development, design, and production, marketing, sales, and distribution. The book remains essential reading for publishing students, those seeking a career in publishing, recent entrants to the industry, and authors seeking an insider's view. The accompanying website supports the book by providing up-to-date and relevant content.
