**Online Income Formula** Raymond Wayne,2018-05-16 Online Income Formula Passive income We all want it We all crave it We all want to make money But how can you actually make passive income this year Earning steady passive income is a pipe dream for many people but that dream isn t easily achievable for most of the people Having been forecasted to reach 6 8 billion by 2020 affiliate marketing is a rapidly growing channel In previous years Amazon com s revenue surpassed 100B Likely its affiliates generated at least 10B of it And besides there are no limits to making more money even if you have a full time job or not from the web today There are people around the world that work on sites like Fiverr as affiliates with different programs of Amazon as ghostwriters flipping websites online dropshipping selling stuff on ebay etsy shopify and so many other online jobs Having a 9 to 5 job sounds so much better than being unemployed But being stuck in a job that you don t really love and more than likely won t make you rich is the worse Unfortunately we re all here trying to win the unbeatable rat race with regular jobs To finally become financially free you have to find ways to earn passive online income Before we dive in further let s take a look at some facts Retail e commerce is a 220 billion dollar market in the U S alone and is growing by nearly 17% a year eCommerce Drop Shipping Standards By 2019 it is estimated that there will be 224 million digital shoppers in the United States alone Affiliate network participation from content publishers soar 175% and sales revenue driven by content publishers have risen 240% In previous years Amazon com revenue surpassed 100B Likely its affiliates generated at least 10B of it Over 50% of top affiliate programs fall into 4 categories Fashion Sports Health Beauty and Travel Shareasale affiliate network has more than 1 000 000 affiliate accounts registered In most affiliate programs less than 10% of affiliates drive 90% of traffic and conversions 38% of marketers call affiliate marketing one of the top customer acquisition methods Influencers receive a 1 10% commission for affiliate marketing with Amazon The fourth annual study estimates that 57 3 million Americans are freelancing 36 percent of the U S workforce and contribute approximately 1 4 trillion annually to the economy an increase of almost 30% since last

year 22 33% of Internet retailers have adopted drop shipping as their primary method of order fulfillment E DSS org By choosing the right sources of passive income you can invest your time the way that you want to instead of the way you have been spending it Passive income is a way of buying back more time The truth is that making money online isn t as difficult as most make it out to seem It does require some discipline and sound knowledge base though We have put together all the resources you need to help you succeed in setting up online income streams and are already very popular on the web In this high impact Training Guide we ll walk you through the most successful ideas to make money online and set them up step by step And we ll give you everything you need to pick up those engaged and loyal subscribers

### **How to Build Your Own**

**Web Site with Little Or No Money** Bruce Cameron Brown,2010 Web sites are an essential tool that every business must have in today s economy Only 15 years ago you could count the number of Web sites in the world with five or six digits today there are between 15 and 30 billion active Web sites and millions more being added every day Creating a Web site can be a great way to market a new product promote your business plan promote yourself or simply share a few details about your life with the world The cost of creating a Web site has risen right alongside the number of Web sites created though and many people are nervous about being able to utilise this revolutionary medium without breaking the bank This book has been created for just such people outlining for you in perfect detail everything you need to know to create a traffic attracting Web site while spending little or no money at all There are countless resources available and when you put them all together they provide a complete toolkit that can make anyone a top notch Web site in no time flat You will learn how to buy a domain name and host your Web site for less than 15 with no additional fees charged to your account You will learn how to use open source software like Wordpress Joomla and Mambo to create a platform on which you can build anything you want You will learn how blogging has made Web site creation easier than ever and how sites like Squidoo Facebook and MySpace allow you more freedom to build traffic and draw more attention to what you are advertising at any given time You will learn how to use common software to edit and tweak your Web sites and how to read the basic code that all Web sites are created in In addition an entire chapter is devoted to teaching you how to promote your Web site and draw traffic to it without spending a dime in the process You will learn why information is the most valuable asset on the market and how you can become an expert in a niche of your choosing making money to cover any fees associated with your Web site With the added resource of hours of interviews with web professionals you will learn which free resources not to use and which ones to outright avoid as well as how to find and install open source modules and tools to enhance the look and feel of your site You will learn where you can find copyright free images to use on your Web sites and how to get free copy that will draw traffic and entertain your visitors You will learn how to keep a free Web site from falling into the traps the major search engines set to stop spam and ultimately how to leverage new friends business contacts and interactions out of your Web site If you are now or have ever considered starting your own Web site before this book will map the way for you
