Going Remote Matthew E. Kahn, 2022-04-26 A leading urban economist's hopeful study of how shifts to remote work can change all of our lives for the better. As COVID-19 descended upon the country in 2020, millions of American office workers transitioned to working from home to reduce risk of infection and prevent spread of the virus. In the aftermath of this shift, a significant number of workers remain at least partially remote. It is clear that this massive experiment we were forced to run will have long-term consequences changing the shape of our personal and work lives as well as the urban landscape around us. How will the rise of telecommuting affect workers' quality of life, the profitability of firms, and the economic geography of our cities and suburbs? *Going Remote* addresses the uncertainties and possibilities of this moment. In *Going Remote*, urban economist Matthew E. Kahn takes readers on a journey through the new remote work economy, revealing how people will configure their lives when they have more freedom to choose where they work and how they live. Melding ideas from labor economics, family economics, the theory of the firm, and urban economics, Kahn paints a realistic picture of the future for workers, firms, and urban areas, big and small. As Kahn shows, the rise of remote work presents especially valuable opportunities for flexibility and equity in the lives of women, minorities, and young people, and even for those whose jobs do not allow them to work from home. Uncovering key implications for our quality of life, *Going Remote* demonstrates how the rise of remote work can significantly improve the standard of living for millions of people by expanding personal freedom, changing the arc of how we live, work, and play.

Ambition Redefined Kathryn Sollmann, 2018-10-09 This is the playbook for how to get flexibility in your career. Molly Beck, author *Reach Out* and founder of *MessyBun.com*. Critical advice for women when the traditional office job doesn't fit family life. Meredith Bodgas, Editor in Chief, *Working Mother* magazine. Sollmann advocates that we lean in to what she aptly labels one's own personal measure of success rather than a monolithic vision of the ideal career. Whitney Johnson, critically acclaimed author *Build an A Team* and *Disrupt Yourself*. Thinkers50 Management Thinkers. *Ambition Redefined* is a timely alternative to current women's business books that define professional ambition and success as climbing the corporate ladder. In fact, this is not a path that all women want or should feel pressured to follow. Sollmann's focus is on the more critical and widespread workplace issue for everyday women: to always work in a way that fits their lives alongside their two major caregiving roles for children and aging parents. Sollmann debunks common assumptions such as "IT'S NOT WORTH IT UNLESS THE SALARY IS HIGH." Women forfeit up to 4X their salaries every year out of the workforce to care for children and/or elderly parents, and it does not take a six-figure salary to achieve long-term financial security. FINDING FLEXIBLE WORK IS IMPOSSIBLE. Sollmann shines a bright light on the ever-widening world of flexwork where women can find many interesting and exciting ways to tuck all generations of their families into a future that is financially secure and safe. The book includes realistic practical tools for preparing for and finding flexible work within a current job or a new opportunity. IT WON'T HAPPEN TO ME. Divorce, death of a spouse, or unexpected financial support for

aging parents are some of the life you never knows that all women could experience Divorce death of a spouse caring for aging parents or adult children are some of the life you never knows that all women could experience Sollmann encourages women to anticipate and buffer life surprises and she shows the profound impact of continual earning saving and investing toward a long and comfortable retirement WORK ENDS AT AGE 65 Women who leave the workforce and want to return in their forties fifties or sixties will be in good company as the ranks of older workers rise Over the next two decades adults age 50 and over will have greater rates of workforce participation into their sixth and seventh decades Eye opening and practical the book shows that when we redefine ambition we acknowledge that challenging lucrative work can be found in many flexible ways that favor personal satisfaction over public applause *Work Together Anywhere* Lisette Sutherland, Kirsten Janene-Nelson, 2020-06-02 An excellent guide on how teams can effectively work together regardless of location STEPHANE KASRIEL former CEO of Upwork IN TODAY S MODERN GLOBAL ECONOMY companies and organizations in all sectors are embracing the game changing benefits of the remote workplace Managers benefit by saving money and resources and by having access to talent outside their zip codes while employees enjoy greater job opportunities productivity independence and work life satisfaction But in this new digital arena companies need a plan for supporting efficiency and fostering streamlined engaging teamwork In *Work Together Anywhere* Lisette Sutherland an international champion of virtual team strategies offers a complete blueprint for optimizing team success by supporting every member of every team including EMPLOYEES small advocating for work from home options MANAGERS small seeking to maximize productivity and profitability TEAMS small collaborating over complex projects and long term goals ORGANIZATIONS small reliant on sharing confidential documents and data COMPANY OWNERS small striving to save money and attract the best brainpower Packed with hands on materials and actionable advice for cultivating agility camaraderie and collaboration *Work Together Anywhere* is a thorough and inspiring must have guide for getting ahead in today s remote working world *The EENDEED Project* F. Remote Jobs Top Introduction

In today's digital age, the availability of Remote Jobs Top books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Remote Jobs Top books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Remote Jobs Top books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Remote Jobs Top versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Remote Jobs Top books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Remote Jobs Top books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Remote Jobs Top books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Remote Jobs Top books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Remote Jobs Top books and manuals for download and embark on your journey of knowledge?
