**Digital Renaissance** Joel Waldfogel, 2020-12-08 How digital technology is upending the traditional creative industries and why that is a good thing The digital revolution poses a mortal threat to the major creative industries music publishing television and the movies Cheap easy self producing is eroding the position of the gatekeepers and guardians of culture Does this revolution herald the collapse of culture as some commentators claim Far from it In Digital Renaissance Joel Waldfogel argues that digital technology is enabling a new golden age of popular culture a digital renaissance Analyzing decades of production and sales data as well as bestseller and best of lists Waldfogel finds that the new digital model is just as powerful at generating high quality successful work as the old industry model and in many cases more so *Pandemic Playlist* Kevin Farrell, 2024-09-05 *Pandemic Playlist* explores a selection of popular music recorded in response to the COVID 19 pandemic analyzing songs by Bono Cardi B Kid Rock Van Morrison Juvenile and many more Through rhetorical analysis of these songs Kevin Farrell considers how the pandemic shaped the music of 2020 2021 and beyond Devaluing Public Apologies in the Age of Social Media Joshua M. Bentley, 2024-12-15 In Devaluing Public Apologies in the Age of Social Media Joshua M Bentley argues that apologies are losing their meaning in American society as organizations and public figures treat them as strategical tools without considering their ethical implications As the demand for apologies in the age of social media continues to increase exponentially Bentley posits the apologies that are given carry less and less weight to the public This

book examines how controversial figures like Donald Trump and Joe Rogan as well as brands like Google and Bud Light have addressed public controversies both effectively and ineffectively illustrating how social media polarization and cancel culture are changing the way apologies are given and received If apologies are to serve their historical role of resolving conflict peacefully Bentley argues they must be placed back into their proper ethical context This book offers insight on how individuals and organizations can ensure their apologies reflect their authentic values Scholars of communication ethics media studies political science and public relations will find it especially useful
