Young Anointed And Empowered:

Young, Anointed and Empowered Marcus L. Arrington, 2011-02 In his seminal work *Young Anointed and Empowered* Marcus L. Arrington presents an uplifting message of hope to teens and young adults worldwide Through transparent articulation of his own journey and the journeys of well known biblical figures he confirms that God uses ordinary people to do extraordinary things Some of his character highlights include David Joseph and Daniel and his three friends Arrington's introduction begins with a brief survey of the ills that inundate the landscape of youthdom He ends on a glorious note of triumph by assuring youths and those that care for youths that the enemies that confront them and seek to destroy them are not indestructible In fact Arrington informs some and reminds others that God Almighty is a timely deliverer who makes it His business to rescue the downtrodden bruised and oppressed After a riveting introduction Arrington builds momentum in Chapter 1 where he asks poignantly what are you looking for He again informs and reminds youths that the thing they are searching for is found in God through Jesus Christ After examining the faith commitment and courage of the aforesaid biblical figures in Chapters 4-6 Arrington continues his conversation by observing purity and the need to have a clean heart before God in chapter 7 He transitions from his emphasis on purity and addresses the politics of being called by God to do a work for God In Chapter 8 Arrington discusses empowerment He creatively explains the ministry person and work of the Holy Spirit and why all believers need His direction and help Finally Arrington concludes his conversation with a heartfelt observation of the truth that greatness in life is preceded by the tandem of humility and obedience to God

Horsley, 2022-03-25 In this innovative study Horsley builds on his earlier works concerning the problematic and misleading categories of magic and miracle to examine in depth the meaning and importance of the narratives of healing and exorcism in the Gospels Incorporating his work on oral performance and turning to important works in medical anthropology a new image emerges of how these narratives help us re evaluate Jesus's place in first century Galilee and Judea In his exorcisms and healings Jesus in
