**Life Goes Both Ways** Willy Vil,2024-08-05 The story Life Goes Both Ways is a true story that is about a twenty year old who just finished

high school from abroad and moved to the USA without his mom dad and friends Due to the speech impediment life was too difficult for him When he left he made lots of commitments to his family In the start he felt that everything was going to be easy to the point where he was going to maintain a reasonable life right away Shortly he discovered that things didn t work like that in the United States of America Some types of items ought to be done sooner before you could get yourself situated At foremost he was living with his brother J but things didn t work out nicely between the two of them In a brief time in the country he was out of his brother s home with no place to stay Luckily an elder companion of his promised him to stay in his place until he gets his life in order Therefore he jumped back and forth from position to position until he chose to go to school to construct some modifications in his life He attempted to go to school but it didn t work out for him It wasn t until he met a professor who used to teach French at a university in Paris who showed him some methods about how to write essays in the English language Ever since he observed he was doing very well in school He managed to get his associate s in business entrepreneurship but then quit going to college After a few years he met his wife and they had three boys together and bought a house Due to union obligations and taking care of the children he couldn t afford to go back to school His life was focused on the children s education and work After the children graduated from college and had successful careers he decided to go back to school to finish what he started After fifty plus years during COVID time he went back to school and managed to graduate with honors He went to Purdue University Global where he got himself a degree in business administration He was an exceptional student too Information in the book showcased that life went both ways At certain times in life there would be no way out other times things would be floating smoothly At first the future didn t appear very good for the young man in this country With hard work commitment and the support of a few good people he managed to adjust certain things and at last create an exorbitant life for himself Things were challenging at the beginning but he turned a bunch of negative stuff into positive ones Nevertheless I think that we need good tutors to teach us about the facts of life In that case our parents are the ideal ones After all I believe very strongly that we should listen to our mom and dad more often because their words contain valuable lessons to teach us **I Can Invent !** I Can Invent !,2025-05-29 Unlock the inventor in you No lab coat required Have you ever solved a problem built a workaround or made something just work and then moved on like it was no big deal What if that everyday fix was your first step toward a patent I Can Invent is not just a book it s a creative spark a mindset shift and your ultimate invitation to the world of innovation Whether you re an engineer analyst artist or team lead this book will show you how to spot brilliant ideas hiding in plain sight and turn them into real recognized protectable inventions Inside you ll discover How to break routines and trigger creative chaos What it really takes to file a patent hint it s not perfection How customer frustrations bugs and even mistakes become your innovation goldmine Solo brainstorming hacks backup idea generation and how to document your genius Real examples punchy humor and inspiration at every turn Written in an energetic witty tone that makes complex concepts simple and fun I Can Invent proves one thing

above all You don t have to be a genius to invent just brave enough to believe your ideas matter Turn your what if into what s next Your invention story starts here **Electronic Music School** Will Kuhn,Ethan Hein,2021-06-18 This book offers a new practical blueprint for teachers wanting to teach music technology to secondary age students Authors and veteran music educators Will Kuhn and Ethan Hein give readers all the practical tools they need to open their own electronic music programs

**Tim Cook** Leander Kahney,2019-04-16 Journalist Leander Kahney reveals how CEO Tim Cook has led Apple to astronomical success after the death of Steve Jobs in 2011 The death of Steve Jobs left a gaping void at one of the most innovative companies of all time Jobs wasn t merely Apple s iconic founder and CEO he was the living embodiment of a global megabrand It was hard to imagine that anyone could fill his shoes especially not Tim Cook the intensely private executive who many thought of as Apple s operations drone But seven years later as journalist Leander Kahney reveals in this definitive book things at Apple couldn t be better Its stock has nearly tripled making it the world s first trillion dollar company Under Cook s principled leadership Apple is pushing hard into renewable energy labor and environmentally friendly supply chains user privacy and highly recyclable products From the massive growth of the iPhone to lesser known victories like the Apple Watch Cook is leading Apple to a new era of success Drawing on access with several Apple insiders Kahney tells the inspiring story of how one man attempted to replace someone irreplaceable and through strong humane leadership supply chain savvy and a commitment to his values succeeded more than anyone had thought possible
