Engaging

Empathy and Activating Agency Alice Hays,2021-04-15 This book provides a step by step guide for teachers to implement an action based curriculum using young adult literature to engage students with contemporary issues In addition to reading ELA

core standards including speaking and writing are addressed within this curriculum Each chapter focuses on a different aspect of the curriculum helping students find their passion guiding them in collaborative group reading of relevant novels supporting them in researching writing and speaking about their topic and helping them translate their ideas into action within their school and community The book is set up in such a way that teachers can follow the curriculum from beginning to end or if they choose incorporate only some of the chapters The author brings the curriculum alive with teacher and student voices about their experiences The appendix describes contemporary middle school and high school novels that address a variety of social justice topics Ultimately the book supports teachers as they inspire their students to examine issues with empathy research potential solutions and exercise agency as they take action to help address issues the students are passionate about
