The Little Book of Morning Routines Krystian Szastok, 2019-12-23 Learn how you can take charge and transform your day through a simple minimum 5 minute morning routine. You will learn new ways to boost your energy in the mornings how to build your morning routine and how to stick to the habit of morning routines. Krystian Szastok has written this book based on his research and practice of morning routines over many years. He has been coached and mentored by extremely successful entrepreneurs and life coaches to maximise his everyday success and bring a mix of self discovery and motivation to your morning. The book doesn't just cover morning routines but also helps you discover your inner calling and add more purpose to your life. These qualities and accomplishments will bring you closer to others in your life and help you grow new relationships. From inside of the book Imagine if you could wake up, get inspired, get some exercise, read, meditate, plan your day, hydrate, have your morning coffee, work on your side projects and send messages to your loved ones all before the majority of the world is even awake. I did all this today as I'm writing this book by waking up at 4am and just doing it. You can accomplish these things too just start waking up 15 minutes earlier than you would usually take small steps. I used to wake up at 7am for a year because that felt like my absolute earliest due to climate. I wasn't functioning well, it was way too hot in Asia for me. Who is this book for? If you're someone who wants to achieve more in your life this book is for you. If you're a freelancer or a business owner and you have a lot of daily responsibilities this book is for you. If you're in a relationship and want to connect better with your partner or if you're currently single this is a book for you. Whatever stage of life you're at or lifestyle you're leading adding morning routines will skyrocket your daily performance.

Magic Mornings Josie Baxter, 2018-02-09 We want to be more in control. We also want to be calmer and less stressed. And we want to create a good morning routine. We can achieve ALL of these goals with the newest release from Josie Baxter called Magic Mornings. Based on these exciting teachings you will learn about all the dramatic benefits of having a routine and being able to plan the start of the day. This book is built around a very clear concept: avoid chaos at the start of the day. It's not just about getting more out of life. Making your whole day better by getting the first few hours right is linked to being more organised. This is because you are more in control. In this book we look at all of the ways you can improve your own day by getting the first few hours right starting with being organised. This book will also look at the many other steps that can be taken to support this goal from deciding what is important to creating a plan. Even the choices you make about what is important to you and what to ditch can have an impact on your whole day by getting the first few hours right. In Magic Mornings we'll cover all the bases giving you everything you need to know to streamline your morning to achieve what you want and create a calmer start to the day.

Morning, Win the Day C. W. V. Straaten, 2018-09-20 Take Control Of Your Morning Take Control Of Life Habits are a straightforward path to excellence This workbook gives you the tools to create a keystone habit that will have an astonishingly positive and lasting effect If you're willing to give up snoozing willing to create a simple but powerful habit and willing to take action for 21 days straight then this book will be your solution to a better life In this book you will learn how to Create an intelligent inspiring and energetic morning ritual Be aware of how habits work and how you can make them work for you Habitualize a morning ritual during a 21 Day challenge [The Miracle Morning Routine Daily Journal](#) Miracle Journals, 2020-11-14 Miracle Morning Routine JOURNAL Thanks to Hal Elrod and his best selling book The Miracle Morning mornings and lives around the world have been transformed forever In the book Hal goes into his findings from studying the most successful people's morning routines He takes note of six different activities many of them do and calls them SAVERS Many successful people practice at least four of six of these activities but rarely do all six So what happens if you do all six That's for you to find out Drink a glass of cold water then Silence Meditation Affirmation Visualizations Exercise Reading Scribing The Miracle Morning Routine Journal 1 Silence Meditation 10 Minutes The first thing to do is meditate for 10 minutes This can be silent meditation or guided meditation There are a number of documented benefits to meditation but doing this will give you added calm focus and concentration throughout the day There are also many phone Apps that can help you get started so don't wait 2 Journaling Part 1 5 Minutes This is made up of two parts Write down three things that you are grateful for today and 3 goals for the day These don't have to be big elaborate things They can be small and simple Also keep the goals just to the day 3 Affirmations or Prayer 5 Minutes Affirmations are positive statements that can help you to challenge and overcome self sabotaging and negative thoughts When you repeat them often and believe in them you can start to make positive changes They are an extremely powerful way to rewire how your brain thinks thus changing how you feel and your external physical world Choose an affirmation that is right for you and practice it for 5 minutes in silence My favorite affirmation is I can be what I will do be 4 Visualizations 5 Minutes Visualizations are similar to meditating The difference In meditation you do your best to think about nothing except your breathing In visualization you envision yourself accomplishing your goals The goal here is to visualize yourself doing and living your affirmation 5 Scribing Journaling Part 2 15 30 Minutes Now that the mind is focused take the next 15 30 minutes to write freely This can be free writing about random things or structure writing it doesn't matter Sometimes it is simply helpful to empty out your thoughts on paper so that you have room during the day to learn and retain new things It can be a way of house cleaning 6 Reading 15 30 Minutes Reading is extremely important for all people It is a way we feed our brain what it needs to be happy It is known that some of the most famous and successful people in the world ie Bill Gates Warren Buffet and more spend about 80% of their working days reading and learning new information However that might be overkill for most people just 15 30 minutes every day will make significant difference 7 Exercising 10 30 minutes Maybe this means going for a morning run before the sun wakes you

or doing some yoga It doesn't have to be anything rigorous but some kind of activity is good
