Henry, 2010-04-28 This is the continuing story of James C Patch and Jacob Masterson The first book The Books of James C Patch The Barrier chronicled the adventures of Jacob Masterson as he attempted to destroy the evil barrier that was preventing spirits from entering the Utopia on the other side James C Patch was an author living in the early 1900s when tragedy struck his family when he decided to write down what he found out about death and the afterlife James C Patch was a split spirit A spirit that could split from his body prior to death and was able to cross through the barrier and see through his spirit what was on the other side While in his spirited state he noticed millions of spirits that were not able to penetrate the barrier The majority of these spirits were children who had not had time to collect a lot of memories and those are the spirits that the barrier preyed upon Jacob found out that memories were the key to the rapid penetration of the barrier and they were able to connect with loved ones that were already on the other side *Return ... Office, 1849 **UPDATING HINDU MYTHOLOGICALS** V.K. SINHA, 2020-02-18 The story written in the Ramayana seems to be very simple and straightforward but it hides many secrets in its bosom For the layman it is a story of good versus evil with evil getting a beating and good being victorious getting a rousing welcome But there are many details that if read carefully reveal many secrets that have been hidden from the general society The present author has tried to reveal those secrets but because of lack of space has limited himself to the revelation of just a few of those secrets After a proper study it seems that Ravana was not as bad as has been made out to be It seems he had many grand ideas but because the war was lost the ideas also died One of them not mentioned in the book because of the lack of full details is that he had a medical system similar to the Red Cross that we have today Similarly there are many other details of Ravana that have been

described It turns out that Ravana was not that bad a person nor was it that Rama that did not have any fault in him
