Nba Preseason Deal

Frank P. Jozsa Jr.

Nba Preseason Deal:

National Basketball Association Franchises Frank P. Jozsa Jr., 2017-02-09 This book examines the development and organization of the NBA and its clubs how each club has performed in seasons and postseasons and to what extent each has prospered and succeeded as a business enterprise despite competition for market share from other types of entertainment Each chapter contains two core themes Team Performance and Franchise Business The former highlights how teams won division and conference titles and NBA championships while the latter analyzes and compares financial data including revenue gate receipts and operating income The book also explores such things as when each franchise organized and why it joined the NBA a brief profile of its current majority owner or ownership group records of teams special coaches and players attendances at home games and how their arenas rank as venues for fans This book explains why particular teams located in very large large midsize or small markets win more games and titles than others and when and how frequently this occurs In addition it provides ways to individually and by division or conference compare basketball franchises from a financial perspective

Sports Marketing Sam Fullerton, 2024-05-15 Formerly published by Chicago Business Press now published by Sage Sports Marketing Fourth Edition guides students in gaining a better understanding of how to develop and implement marketing strategies and tactics within the sports marketing industry Author Sam Fullerton provides thorough coverage of this discipline s two broad perspectives the marketing of sports products and creating a sports platform as the foundation for the marketing of nonsports products

Sports Capitalism Frank P. Jozsa, 2017-11-28 The book focuses on how when where and why the US based professional sports leagues extend their brands and penetrate markets in nations across the globe The book examines the strategies progress and expectations of each league despite the cultural economic and political barriers that exist between and within countries and areas It offers a model of the sports business and where appropriate the emergence evolution and growth of prominent women s sports leagues are documented This book is unique as there are no other academic publications that study and report the global ambitions of this special group of organizations in one volume Readers such as college and university sports history management marketing and international business professors students and researchers can use and apply the book as either a teaching supplement reference and or literature source It will also appeal to targeted groups beyond the academic community with strategic economic incentives to learn about sports capitalism such as sports entrepreneurs and league officials

International Sports Law and Business Aaron N. Wise, Bruce S. Meyer, 1997-05-23 This comprehensive three volume set focuses on the legal and business aspects of sports in the United States and abroad The authors have presented the subject matter from a practical and pragmatic perspective yet with analytical precision and attention to fine points of detail This book is composed of five parts Part I deals with the law and business of sports in the United States with the primary emphasis on the legal aspects of professional sports Part II deals with the internationalization of sports from various perspectives principally North American team sports Part III explores the

law and business of sports in 18 non U S jurisdictions subject matter hardly covered in other sources if at all Part IV treats the legal and to some extent business aspects of broadcasting and sports both in the United States and in selected foreign jurisdictions Part V focuses upon sports marketing in its various forms in the United States as well as its international perspectives This easy to read work is unmatched in that it covers subjects not addressed or only tangentially addressed in other works presents insiders perspectives on the subject matter and focuses extensively on international aspects of sports law and business in connection with many different subjects Among its exhibits International Sports Law and Business includes a World League of American Football Standard Player Contract form a sample World League of American Football Acquisition and Operation Statute of Court of Arbitration for Sport and Regulations It also includes a comprehensive index Compendium of Professional Basketball Robert Bradley,1999 **Intercultural Communication**

Kathryn Sorrells,2020-12-23 Winner of the 2022 Textbook Excellence Award from the Textbook Academic Authors Association TAA Intercultural Communication Globalization and Social Justice introduces students to the study of communication among cultures within the broader context of globalization Author Kathryn Sorrells highlights history power and global institutions as central to understanding the relationships and contexts that shape intercultural communication Promoting critical thinking reflection and action the text s social justice approach equips students with the knowledge and skills to create a more equitable world through communication The Third Edition includes new case studies updated examples and statistics and expanded discussions on timely topics like the rise of ethnonationalism and white nationalism and the impact of new media on global communication Contemporary Sport Management Paul M. Pedersen,Lucie Thibault,2018-05-03 Contemporary Sport Management Fifth Edition With Web Study Guide provides students with an overview of sport management by presenting extensive discussions of the foundational aspects of the profession and current topics from the field The fifth edition continues to engage students with a full color format and an integrated web study guide The text also discusses the role of social media in revolutionizing the industry and the significance of sport as an international institution Students will learn the relevance of legal sociocultural historical political and psychological concepts to the management of sport the professional skills and attitudes of successful sport managers and ways in which the globalization of sport continues to affect sport management professions One of the top selling textbooks in the field the fifth edition retains many of its popular learning tools for students and also offers several key additions Social media sidebars in every chapter prepare future sport managers to confront some of the unique challenges and opportunities of this growing phenomenon Professional profiles containing a biography Q A and associated web study guide activity allow students to gain realistic views into the roles of sport managers Enhanced ancillaries include a new image bank and chapter quizzes compatible with learning management systems to further support classroom instruction and testing A student web study guide now contains more than 171 fully integrated activities to provide opportunities for real world application A

retrospective from cofounding editor Janet Parks illustrating how the outstanding roster of contributors has been a hallmark of this title from the beginning The text also contains a variety of updated learning tools including international sidebars with associated activities a timeline ethics and critical thinking sections a running glossary chapter objectives end of chapter reviews and references to help students stay engaged with the material and understand key concepts and terms In addition the web study guide WSG contains multiple interactive learning experiences that assist students in retaining the information Each chapter of the text includes several cross references to the WSG allowing students to take advantage of the following features Professional profile activities encourage students to test their expectations of the challenges that sport industry professionals face on a daily basis Job announcement activities demonstrate the skills that prospective employers seek in particular sport settings Web searches point students to the vast amount of information available online Portfolio activities help students reflect on questions related to the critical thinking and ethics sections of each chapter Upon completion of the activities students will have constructed a portfolio of their reflections on issues they might face as future sport management professionals Learning in Action activities help students understand and apply the concepts covered in each chapter With 20 chapters written by 44 expert contributors Contemporary Sport Management Fifth Edition begins with an overview of the field and historical aspects of the industry Next the attributes of effective and professional sport managers and the relevance of managerial and leadership concepts applied to sport management are discussed In part II students learn about the major settings in which sport management professionals work today including professional and amateur sport management sites sport management agencies and sport tourism venues Part III offers information on key functional areas of sport management such as marketing communication finance and economics and facility and event management In part IV readers examine current challenges in the profession such as issues related to consumer behavior law sociology globalization and the importance of continuing sport management research The updated and enhanced fifth edition of Contemporary Sport Management offers a varied and dynamic learning package to assist readers in understanding the many opportunities and challenges in the sport management field From historical foundations and future directions to current issues and professional skill sets this popular textbook continues to inform and inspire up and coming professionals to have a positive influence on the management of sport
