the same old story and offer critical representations of queerness that broaden YA writing and insist on the presence of queer teens of color. Atravesados draws on foundational Chicana queer theorist Gloria Anzaldúa's notion of atravesados to speak to the spectrum of queer youth Latinidades as they materialize in YA literature. Los atravesados according to Anzaldúa are the squint eyed, the perverse, the queer, the troublesome, the mongrel, the mulato, the half breed, the half dead. In short, those who cross over, pass over, or through the confines of the normal. Los atravesados reside in the borderlands space of *ni de aquí ni de allí*, neither here nor there, present yet liminal. Their queerness is the very source of both frustration and empowerment, a paradox of joy and tragedy. Although written in 1987, Anzaldúa's theory speaks to the realities of queer Latinx teens that fill the pages of YA literature well into the twenty-first century. Characters such as Juliet from Gabby Rivera's *Juliet Takes a Breath*, Aaron from Adam Silvera's *More Happy Than Not*, or the titular Chulito from Charles Rice Gonzales's novel encompass the highs, lows, and everything in betweenness of queer Latinx teen lived experiences. This collection tells their stories. Contributors speak to the spectrum of queer youth Latinidades as they materialize in YA literature, paying close attention to representation and the ways youth are portrayed, whether accurate or stereotypical. Close attention is paid to books that succeed in broadening the field of YA, highlighting authors that draw from their own lived experiences and situate strong, fully developed characters. Taken together, these essays move beyond the page, explaining to readers why representation and authenticity matter in YA literature, as well as the far-reaching effects they can have for real-world queer Latinx teens.

[Impact of Influencer Marketing on Young Women's Customer Experience on Cosmetic Products](#) Jule Prescher, 2023-06-06 Bachelor Thesis from the year 2023 in the subject Communications Multimedia Internet New Technologies grade 13 University of applied sciences Cologne language English abstract This thesis aims to realize how influencer marketing performs and its impact on the Cx. Therefore the research addresses the following questions: How powerful are influencers these days? What is different about influencer marketing and why is it a successful strategy? How do people perceive information shared by influencers and which factors are decisive for potential customers to purchase products advertised by influencers? What impact does an influencer have on the overall Cx? The internet has been fully integrated into people's daily lives worldwide over the past years. The percentage of the world's population with access to the internet has doubled from 32% in 2011 to 63% in 2021. 90% of people from developed countries access the internet in 2021. At the same time, the number of social network users is increasing. These networks have the purpose of connecting with friends. In 2022, 5 billion people have access to the internet worldwide and 4.7 billion people use social media (SM). Ultimately, 93% of those with internet access own at least one SM account, that is more than half the population worldwide. Through time, companies found new marketing strategies which reached active people on SM. These platforms are necessary to reach Generation Z people born in the late 1990s. They are different and cannot be reached in the same way as they watch Netflix instead of TV or listen to Spotify instead of the radio. For example, Influencer marketing became a 10 billion industry in 2020. Influencers share their lives on

SM networks Due to their high reach they receive offers from companies for cooperation Influencers followers admire and trust their recommendations due to their personal and authentic representation While advertising products influencers show how to use them where to buy them and give their opinion For higher sales influencers often receive promo codes for a discount or free products for each order [TikTok User Guide](#) Aaron Smith,2020-05-12 A Few Celebrities Made Their Debuts in the Wake of Their Quarantine Boredom and You Too Can Join the Train With each passing day it seems as if more of your favorite celebrities are on TikTok having finally decided to try the trending app after getting stuck indoors with nothing more pressing to do For many staying at home and social distancing has become the norm Celebrities and everyday people turn to TikTok to connect with fans and followers and discuss best practices amid the ongoing pandemic It's been a while since TikTok disrupted the worldwide social networking world in 2018 and a lot of things have changed since then TikTok regards itself as the spot for short form mobile videos For example the Washington Post recruited a TikTok app expert Buzzfeed a digital media company is hiring teens to handle the election coverage on TikTok The Verge reported that Justin Bieber was anxious for his single Yummy to go viral on TikTok Celebrities including Reese Witherspoon and Snoop Dogg have opened accounts on TikTok Teenagers and young adults are going crazy for TikTok because of its flexibility to allow them express their creativity and humorous side Do you want to know What TikTok is What TikTok account you should make Where TikTok draft videos are saved Where TikTok originated Why TikTok is popular Why TikTok is good The answers are in this book Check out this step by step user guide presented with SCREENSHOTS to understand TikTok fundamentals In this visual book you'll gain knowledge on how to How to Install on iPhone How to Install on Android How to Create an Account How to Change Username How to Change Profile Name How to Change Profile Description How to Change Profile Picture How to Upload Video from Gallery How to Record Video How to Delete Video How to Copy Profile Link URL How to Copy Video Link URL How to Perform Email Verification Process How to Change Email How to Reset or Recover Password How to Change Password How to Set Account to Private How to Turn off Allow Others to Find Me How to Switch Your TikTok Account to Public from Private How to Activate Suggest Your Account to Others How to Save Video in Gallery to Camera Roll with Watermark How to Include a Video to Favorites How to Check Favorites How to Delete Videos from Favorites How to Set Video to Private How to Make Your Video Public How to Make Your Video a Wallpaper How to Delete Live Photo How to Transform Video to GIF How to Create Duet How to Record React Video How to Record Video More Than 15 Seconds How to Switch to Front Camera How to Create Slow Motion Video How to Create Fast Motion Video How to Use Beauty Mode How to Use Timer How to Turn on Flashlight How to Add and Remove Filters to name a few TikTok is so easy to use and this manual will make you understand how to make the most of it What are you waiting for Get your copy to learn amazing TikTok hacks and succumb to the nonsensical appeal of this video sharing app [How to Make Money on TikTok](#) Tech Castle,2024-05-21 Unlock the secrets to financial success on TikTok with How to Make Money on TikTok Top Best Secrets
