Things are going so well in fact with the home town office that Georgia ponders a return to big city headquarters. Those plans are quickly dashed unfortunately when her sister Julie becomes the prime suspect in the gruesome murder of a man she met online. Georgia and her sister don't always see eye to eye, even more now. With Georgia's plans to move back to the city, Julie is in the process of trying to get her to change her mind. But Georgia knows her sister and doesn't believe Julie to be capable of murder. Thus she hires a private investigator friend of hers named Ryan, one of her most precious resources. In an attempt to clear Julie's name, but while Julie's life and freedom is on the line, so is her heart. As during the investigation, she is hit with the heart-breaking revelation that Carlos was not the man he led Julie to believe. Not even close. In addition, his step sister Anita is in emotional shambles over her step brother's murder and is fingering Julie as the guilty party. But is her grief just a clever ruse to throw authorities off her trail, or has Carlos' dark secrets led someone else to commit murder?
