theological roots of abrasive masculinity along with its routed mediatized avatars. Thereafter it shifts its focus to the vulnerable masculinity of soft men who are victimized on account of their effeminacy. In an intersectional mode the plight of both feminine cisgender and gay men is critically discerned. The book concludes with the counterculture of Indian YouTuber men who are detoxifying the mediatized Movement for Men's Rights in India along with revisiting the ecomasculine folk culture of indigenous India. The author argues that in opposition to the culture of cancelling masculinity a habitable masculinity may be unfolded in order to enhance the social habitability of individuals irrespective of their gender and sexuality. It deploys social media, film, music, literature, folk narratives and personal interviews as a means of interconnecting qualitative and quantitative methodologies. The book will be useful for students, researchers and teachers from the fields of Gender Studies, Media Studies, Sociology and Cultural Studies. It will also appeal to those interested in the culture of masculinities in India.

Designated Disrupter Troy Anderson, 2026-01-06. Revival isn't coming how you expect it's coming through the most unexpected voices of our time. In this book you will learn how God is using unconventional leaders and cultural icons to spark a global awakening and how you can partner with Him to see revival in your nation. America is facing what many call a Nineveh moment, a pivotal opportunity to turn back to God or plunge into moral and societal collapse. In *Designated Disrupter*, Pulitzer Prize nominated journalist and bestselling author Troy Anderson explores how figures like Donald Trump, Tucker Carlson, Jordan Peterson, Russell Brand and other unlikely influencers are igniting a spiritual revolution. Blending prophecy, politics and historical precedent, Anderson issues a prophetic call for national repentance and revival. Drawing from biblical insight, exclusive interviews and movements like The Return and the Asbury Revival, he reveals how today's chaos is the perfect setup for the next Great Awakening. In this book you will discover how God uses controversial and secular figures to spark revival. Learn historical and prophetic parallels between ancient Nineveh and modern America. Be equipped with practical strategies for prayer, fasting and cultural transformation. Understand your role in partnering with God to bring spiritual awakening to your generation.

Ancient Egypt in Video Games Jennifer Cromwell, 2026-03-14. This volume is the first to focus on the presentation of Ancient Egypt in video games. The contributions examine diverse topics concerning how Egyptian history, culture, monuments and the land itself are portrayed across a diverse range of game genres. Over forty years of video games are analysed, including those from well-known franchises like *Assassin's Creed* and *Tomb Raider*, as well as those from independent developers. The games studied employ Ancient Egypt in different ways, as the main historical setting of the game, as the inspiration for the game's world, or as a point of reference for specific aspects of the game. Contributions by game designers from Oneiric Studios also reveal the motivations for using Egypt as the source for their game design and narrative. *Path of Ra*. The number of games discussed in this volume and their diversity demonstrates the important role that games play in shaping the popular imagination of Ancient Egypt.
